INTRODUCTION

PRIVATE SCHOOL AID SERVICE (PSAS) is under contract with the school, school system, or organization from which you obtained this application for tuition assistance. Our purpose is to provide a reasonable assessment of the ability of each family to pay for the education of their children at private and independent elementary and secondary schools.

Your Student Aid Form, all attachments, and an analysis of your SAF are sent **only** to the school(s) or agencies contracting with PSAS. **No other agency will receive any information about this application or its attachments.**

PRIVATE SCHOOL AID SERVICE does not make any decisions about recipients and amounts of financial aid awarded. Recipients and amounts of aid are determined by the designated school or agency. **YOU WILL NOT RECEIVE RESULTS FROM PRIVATE SCHOOL AID SERVICE.**

INSTRUCTIONS

A & B PARENT, GUARDIAN OR OTHER ADULT

This form should be filled out by the parent, guardian or other adult responsible for the tuition of the child or children attending a private or independent school contracting with PSAS. If the parents/guardians are divorced or separated, only the parent responsible for the tuition and any other adult residing in the household should fill out the form. If tuition is shared, each responsible party must complete a Student Aid Form (SAF) if financial aid is needed.

Answer *all questions* for both parent(s), stepparent(s), or guardian(s) responsible for tuition for the dependent(s) listed in Section C. **Do not leave any questions blank.** If natural parents are divorced, separated or single, answer all questions in Section E. If natural parents are divorced/separated and remarried, list information for custodial parent and new spouse. If either parent answers "self-employed," and has not filed a tax return, complete Section K.

CALCULATIONS ARE BASED ON TOTAL HOUSEHOLD INCOME.

C STUDENT INFORMATION

List all dependent children residing in your household in order of oldest to youngest. Indicate the relationship to Parent/Guardian A listed in Section A of the application (i.e. child, grandchild, foster child, stepchild, etc.). If your dependents will be enrolled in any tuition charging school or agency next fall (including daycare, preschool, elementary school, high school, college, or trade school), list the name of the school, city and state where the school is located. List the grade your child(ren) will enter next fall (2010-2011); the amount you feel you can pay toward tuition per year, and the amount of tuition charged per student per year.

PSAS will consider all students listed in Section C with a check in the "Yes" box for tuition assistance at any school or agency under contract with PSAS. If the "No" box is checked, that student will not be considered. For all additional dependents, use a separate sheet.

NOTE: The information regarding tuition charged per student assists PSAS in making the most equitable analysis of your ability to pay for private education. If you are unsure, please estimate.
