

# Confirmation Retreats at St. John's

The Holy Spirit Alive: Disciples in Action!  
A Confirmation Retreat created by Mary Lee Becker

The purpose of this retreat is to assist participants in preparing to receive the Sacrament of Confirmation. Through this interactive retreat experience, we hope participants will...

- gain insight into what it means to belong to a Catholic community of faith, and get to better know the other adult and youth participants.
- share faith discussions and prayer experiences with other youth.
- explore scripture and deepen their understanding of the teachings of Jesus, and what it means to be a Disciple of Jesus in the world today.
- consider how living out their Confirmation commitment in daily life can make a difference for the good.
- reflect on their personal gifts and strengths for Discipleship, the gifts of the Holy Spirit and their response to God's call to Discipleship.
