Cardinal Maida on the Success of Proposal 2

At the Vatican for meetings, Cardinal Maida issued the following statement on the passage of Proposal 2, the Marriage Protection Amendment to the Michigan Constitution.

“We thank all those who joined with us in defense of the dignity of marriage. This was about affirming the very fabric of our society. The Catholic Church stands opposed to any unjust discrimination and will continue to work for justice and equality for the rights of all people.”

Cardinal Adam Maida
