

**PULPIT ANNOUNCEMENT
FOR MASSES ON FEB. 11-12**

A recent health care mandate by the U.S. Department of Health and Human Services constitutes an alarming and serious threat to religious liberty in the United States by forcing employers to pay for contraceptives and sterilization procedures, even if those actions are against the employer's consciences. Archbishop Allen Vigneron is calling upon you, the Catholic faithful, to take action and to stand up for religious liberty – for us and for people of all faiths. Please see the Archbishop's letter in today's parish bulletin.

Thank you for your attention to this important matter.
