SACRED HEART
MAJOR SEMINARY

Dear Reader,

As we make the journey through the Year of Mercy, our thoughts and prayers naturally turn the abundant graces bestowed upon us through the sacraments of healing, but also the way in which we are called to be healing instruments of God in the world. As disciples, not only do we proclaim that Jesus is risen, we also give witness to the way in which his mercy transforms our hearts and calls us to conversion.

As you engage in the intellectual formation at Sacred Heart Major Seminary, I encourage you to commend all of your work to the Sacred Heart, and ask that through your studies, you may become alive with a deeper knowledge and love of the living God.

In this *Bulletin* you will find all the necessary information regarding policies and programs at Sacred Heart Major Seminary. The program goals, policies, and information articulate the many opportunities you will have, but also be assured that each department is ready to assist you personally as you move through our programs.

It is a joy to welcome you to Sacred Heart, and be assured of our prayerful support.

Sincerely in Christ,

About SHMS

SACRED HEART
MAJOR SEMINARY

“Education is integral to the mission of the Church to proclaim the Good News.” —Pope Benedict XVI, *Spe Salvi* (no. 4)

Mission, Values and Institutional Goals

Mission Statement

Sacred Heart Major Seminary primarily forms priests according to the Heart of Jesus Christ the Good Shepherd, and further, prepares priests, deacons and lay ecclesial ministers, equipping them for the work of ministry in the New Evangelization.

Institutional Values

- *Christ as the Center* – Jesus Christ is the center of all that we do. Our mission is a share in the mission of the Church, founded on the love of God the Father given to us in Christ through the Holy Spirit. Nourished by the Eucharist, we are a Catholic community of faith and higher learning on fire for the Word of God.
- *Formation of Heralds for the New Evangelization* – Committed to forming candidates for the priesthood, the permanent diaconate, and lay ecclesial ministry, we aim to provide excellent human, spiritual, intellectual, and pastoral formation. We form disciples as leaders who are prepared to bring the truth of the Gospel to a secularized world, who are faithful to the teachings of the Catholic Church, and who are equipped to nurture their lifelong relationship with Jesus Christ.
- *Academic Excellence* – We are committed to academic excellence, through a curriculum reflecting the riches of the Catholic faith and critical assimilation of the cultural and intellectual traditions of our civilization, through a highly qualified faculty who embrace effective pedagogy and research, and through students who value knowledge and integrate it through pastoral ministry.
- *Service to Others* – We promote servant leadership, following the model of Jesus Christ, who tells us, “If anyone wishes to be first, he shall be the last of all and the servant of all” (Mark 9:35).
- *Collaboration and Diversity* – We respect the dignity of every individual and rejoice in the gifts that diverse groups within the Catholic Church and the local community bring. We encourage genuine collaboration and mutual affirmation among all groups. We fashion an environment which effectively supports all members of the seminary community as they work to build up their gifts.
- *Integrity and Stewardship* – We are steadfast in our commitment to honesty in our business dealings, prudent in our stewardship of assets, and transparent in representing ourselves to our constituents.
- *Christian Joyfulness* – By seeking to share our faith with others as well as to deepen our own faith, we encourage a positive atmosphere in which the joy of Christ may manifest itself.

Institutional Goals

1. To present for Holy Orders men who are affectively mature, spiritually grounded, intellectually competent, and pastorally prepared to engage in the Church’s mission of the New Evangelization.
2. To form lay ecclesial ministers, permanent deacons, and others who are spiritually, intellectually, and pastorally prepared for service in the Church, using the guidelines provided in *Co-workers in the Vineyard of the Lord* and the *Directory for the Permanent Diaconate*, and other magisterial documents on the New Evangelization.
3. To retain and recruit faculty who are highly credentialed and committed to teaching with the mind of the Church, and forming students for ministry.

4. To develop a Board of Trustees whose members are active, Christ-centered stewards, who are mission-driven, and who contribute to the life of the institution.
5. To effectively raise and strategically manage our human, financial, and technological resources, so that they are sufficient and flexible enough to support seminary programs.
6. To integrate academic program development, student recruitment, building usage by external groups, and facilities planning to enhance the seminary's ability to carry out its mission.

Outcomes Assessment

SHMS has established institutional, student learning and program goals that flow from its institutional mission. In order to assure that SHMS is meeting its goals and continually improving its programs and services, SHMS is engaged in ongoing outcomes assessment. The program of assessment and the tools employed are outlined in the SHMS Outcomes Assessment Plan, overseen by the Office of the Dean of Studies. The full document is available for review in this office. For assessment purposes the seminary employs not only its own instruments but also standardized measurements. These latter instruments especially permit a comparison with comparable institutions of higher education.

Overview of Sacred Heart Major Seminary

Sacred Heart Major Seminary is dedicated to preparing candidates for the Roman Catholic priesthood, the diaconate, lay ministry, and other leadership roles within the Roman Catholic Church.

The seminary accomplishes its primary mission by providing for the education and formation of candidates for the priesthood and diaconate. The formation of candidates for the priesthood, the continuous care for their personal sanctification, and constant renewal of their pastoral commitment is considered by the Church one of the most demanding and important tasks for the future of the evangelization of humanity.

The Church's work of formation is a continuation of Christ's own work. "He went up on the mountain and called to him those whom he desired; and they came to him. He appointed twelve to be with him, and to be sent out to preach" (Mk 3:13-15).

Through higher education offered in the College of Liberal Arts and the Graduate School of Theology, candidates are prepared for ordained ministry. The basis of this preparation is derived from the four pillars of formation—human, spiritual, intellectual and pastoral—wherein by sacramental ordination a man is configured to Christ and consecrated for service to the whole People of God, and diaconate candidates are configured to Christ the Servant.

In addition, the higher education is further directed to the professional formation of the lay faithful, who share a distinct communion and collaboration by Baptism with the clergy and those who seek to be of service in the Church.

By teaching and laying a foundation for priests, deacons and lay ministers, SHMS seeks to serve the needs of the whole Church through pastoral and academic programs that enhance and deepen the Christian faith while reflecting on Christ's teachings. By teaching and modeling Gospel values, SHMS assists in bringing about the fulfillment of Christ's call to be a light, illuminating its diverse body of students, for service within the community.

The College of Liberal Arts, through its undergraduate degree programs (A.A.M., A.B., B.Phil.) and certificate/diploma programs, aims at the cultivation of those theoretical and active excellences that belong to free human beings. The School of Theology, through its graduate degree programs (M.Div., M.A.P.S., M.A., S.T.B., S.T.L.) and certificate/diploma programs, aims at the integral formation of those dispositions and skills required by those who will minister in the Church. The Institute for Ministry administers the admissions process for commuters, facilitates the formation programs for commuter students, collaborates with the Central Service Departments of the Archdiocese of Detroit, and offers continuing educational opportunities at the seminary. SHMS strives to be a community that manifests the heart of Christ in the Church and society and to form that same heart in all its students.

"There is an essential aspect of the priest that does not change: the priest of tomorrow, no less than the priest of today, must resemble Christ. When Jesus lived on this earth, he manifested in himself the definitive role of the priest by establishing a ministerial priesthood with which the apostles were the first to be invested. This priesthood is destined to last in endless succession throughout history. In the third millennium the priestly vocation will continue to be the call to live the unique and permanent priesthood of Christ" (*Pastores Dabo Vobis*, Sect. II).

History

“I will give you shepherds after my own heart” (Jer 3:15). This Scripture passage, etched on Sacred Heart Major Seminary’s cornerstone, is an ever-present reminder of our mission to prepare candidates for the priesthood and prepare individuals for the diaconate, lay ministry and other leadership roles within the Church.

The history of the Archdiocese of Detroit and the history of the city of Detroit are intertwined. In 1701, Antoine Cadillac arrived to establish the first settlement later to be known as Detroit. At that time he established the first Catholic church in the area, St. Anne Parish. This site eventually became the first and oldest parish in Detroit. Catholicism grew to become an integral part of Detroit’s development, and with this growth emerged the need for priests.

In 1796, Detroit became an American territory and obtained its first native born pastor, Fr. Michael Levadoux. He was assisted by Fr. Gabriel Richard. Father Richard became pastor of St. Anne Parish in 1802 and initiated many educational programs, among them the establishment of what would eventually become the University of Michigan. Detroit was formally established as a diocese on March 8, 1833.

The Diocese of Detroit continued to grow along with Michigan’s population. As missionaries from various religious orders traveled to the area that now forms the archdiocese, the need for priests became apparent. Several groups of religious sisters established communities in Detroit, founded hospitals and schools, and participated in the life of the new parishes. With this continued growth, the need for priests increased. When Bishop Michael Gallagher arrived in the Diocese of Detroit at the close of World War I, the diocese was almost eighty-five years old and still did not have formal institutions of its own for the training of the clergy. Bishop Gallagher realized this need and promised on his installation day to fulfill it.

Fr. Gabriel Richard

“It’s God’s work! God wills it!” With these words, Bishop Gallagher announced that his promise for a seminary would be fulfilled. It was temporarily located in a pair of brick houses at 59-79 Martin Place, and classes were taught at various locations by five professors with boarding students housed on Martin Place. An apostolic blessing was cabled from Pope Benedict XV for success of the new seminary.

Due to immediate increased enrollment, the demand for a permanent training institution in the diocese became obvious. Realizing this, Bishop Gallagher began the Seminary Fund Drive in 1923, which eventually raised \$9 million toward construction of the seminary. When ground was broken for Sacred Heart Seminary (SHS) in February 1923, the designated location was on farmland at the corner of Chicago Boulevard and Linwood Avenue. Spiritually, it was the culmination of united prayers, a bishop’s promise and the support of the laity of that time. As thousands watched the laying of the cornerstone, the people of Detroit welcomed a new era of Catholic education and ministry.

On September 22, 1924, Sacred Heart Seminary opened the doors of its new building to high school and college students. Endless walls of brick and stone, breathtaking arched and high ceiling corridors, handcrafted wood and a beautiful main chapel greeted the students as they arrived.

A converted apartment house served as a crowded Holy Angels dormitory on Alexandrine Avenue in midtown Detroit, early 1920s.

The Gothic Revival chapel, which is the spiritual heart of the seminary and the center of the seminary building, has a décor featuring Pewabic tile, hand carved oak woodwork and exquisite stained glass windows imported from Munich, Germany. There are secret treasures found in the symbolism of these windows that refer to Christ’s commission of the apostles, and the principal function of priesthood—the administration of the Sacraments. The risen Christ in the center window panel shows him raising his hand in blessing over the seminarians. Also of unique interest is the eight-cusped aperture at the peak of the main window that reflects the Coat of Arms of the seminary founder Bishop Gallagher, stating his motto *Abundare facit charitatem*—“That charity may abound.” This Coat of Arms has become part of the seminary seal.

A milestone occurred in 1926 as the first class graduated. Four years later, in 1930, nine graduates were ordained. That same year, the high school became an accredited institution, and the college department was given a charter by the state to grant Bachelor of Arts degrees.

Sacred Heart Seminary suffered with the rest of America through the Depression of the 1930s and the war of the 1940s, but strived to continue its mission of educating young men for the priesthood. At the end of World War II, Sacred Heart Seminary began what was to become a continuous process of change and development to fulfill the needs of an ever-changing diocese.

In 1958, the high school was separated from the college seminary. To accommodate this change, the Cardinal Mooney Latin School was built on the seminary grounds while classrooms at the seminary were converted to student rooms to accommodate the increasing college enrollment.

This postcard supported Bishop Gallagher’s campaign to raise funds for a new seminary. It features an architectural drawing depicting the future Gothic Revival seminary complex.

The Second Vatican Council and the reforms it instituted in the mid 1960s ushered the seminary further in its development. Students became involved in “mini-missions” programs, which called for seminarians to serve the people of Detroit in the fashion of missionaries. The students and staff at the seminary continued to reaffirm their commitment to supporting civil rights before and after the Detroit riots of 1967. The campus Sacred Heart of Jesus statue, whose face and hands were painted during the riots, still remains as a symbol of this commitment.

Since 1960, the seminary has been accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools. This accreditation attests to the high levels of scholarship maintained by the faculty and student body. As the needs of the Archdiocese of Detroit continued to change, Sacred Heart Seminary continued to respond. In 1976, the Institute for Pastoral Ministry, the precursor to today’s Institute for Ministry, was established, and three years later the seminary charter expanded to grant associate, bachelor, and graduate degrees. As lay ecclesial

ministers became more actively involved in the Church, SHMS developed the Institute for Ministry that recruits and assists lay students into the seminary programs to prepare them for lay ecclesial ministry.

Due to its outstanding historical and architectural significance, SHS was listed in the National Register of Historic Places in 1982. In 1988, a multi-million dollar renovation began under the direction of the Archbishop of Detroit, Cardinal Edmund Szoka, the “second founder of SHS.” This renovation, completed in 1993, featured the largest Catholic theology library in Michigan. In addition, due to the closing of St. John Provincial Seminary in 1987, Sacred Heart Seminary added a Graduate School of Theology, thus undergoing a name change and becoming Sacred Heart Major Seminary (SHMS). Since 1991, SHMS has been accredited by the Commission on Accrediting of the Association of Theological Schools of the U.S. and Canada.

The main chapel features stunning made-in-Detroit Pewabic tiling. The entire chapel underwent extensive cleaning and restoration work in 2009 after a ceiling fire.

Today SHMS is a reflection of the foundations laid many years ago and the remarkable development that kept pace with time and the ever changing needs of society. New initiatives currently have been incorporated, adding yet another milestone to SHMS history. A video-conferencing suite of electronic classrooms was installed in 2003, enabling courses to be exported to various satellite sites. These classrooms have expanded access to theological and pastoral training to populations within the Archdiocese of Detroit and other Michigan dioceses. In addition, an updated liturgy lab that incorporates furnishings and liturgical appointments donated by previous benefactors was re-inaugurated. A new tabernacle set, with features tied to various elements found in the main chapel’s architecture and sacred furnishings, was dedicated by Cardinal Adam Maida in 2003.

In 2000, SHMS was granted affiliation with the Pontifical University of St. Thomas Aquinas in Rome (*Angelicum*) enabling it to grant the Bachelor in Sacred Theology (S.T.B.) by the Congregation for Catholic Education. In April 2003, SHMS awarded the S.T.B. to its first set of graduates. In 2004, SHMS accepted its first student cohort to study for the Licentiate in Sacred Theology (S.T.L.). This innovative degree program, with its focus on the New Evangelization and its pastoral approach, responds to the apostolic call of Pope John Paul II. The Pontifical University of St. Thomas Aquinas in Rome confers the degree through the faculty of SHMS.

The foundation of SHMS is set on the cornerstone that reads, “I will give you shepherds after my own heart.” These shepherds, the graduates of Sacred Heart Major Seminary, continue to minister to the people of Detroit and to Catholics throughout the world.

Accreditation and Memberships

Accreditation

Sacred Heart Major Seminary has sought and obtained regional accreditation to make certain, through outside objective evaluation, that it is conducting undergraduate and graduate programs that meet the standards of similar institutions of higher learning in the United States. With an eminently qualified faculty and staff, with policies and programs recognized as fulfilling its objectives as an educational institution, and with continuous changes to reflect the current needs of students, SHMS continues to be recognized as a leading educational facility.

Sacred Heart Major Seminary's course of study was approved by the State of Michigan, Department of Public Instruction, on March 9, 1931, and by the Michigan Commission of College Accreditation in 1955. The seminary course of study conforms to the regulations for the training of veterans and children of veterans under Chapter 35 or Chapter 36, Title 38, United States Code.

Sacred Heart Major Seminary has enjoyed continuous accreditation by the Higher Learning Commission (HLC) since 1960 (renewed in 1964, 1974, 1984, 1994, 2002, and 2014). In July 2014, the Higher Learning Commission voted to continue the accreditation. In 2024, the seminary will prepare for reaffirmation of its accredited status with the Higher Learning Commission.

The seminary's affiliation status was changed in 1988 and accreditation was extended to include the School of Theology, which was established in that year. The School of Theology degree programs were accredited by the Association of Theological Schools (ATS) in June 1991 and renewed in 1996 and 2014. In July 2014, ATS reaffirmed accreditation for a period of ten years (spring 2024).

The seminary course of undergraduate study was endorsed by the National Conference of Catholic Bishops in 1975 and favorably reviewed by the Visitation Team of the Holy See's Congregation for Seminaries and Institutes of Study in February 1987. The graduate program was favorably reviewed by the Congregation for Seminaries and Institutes of Study in 1988 and endorsed by the National Conference of Catholic Bishops in 1996.

“The nature of the student body reflects the richness and beauty
of the Church” –Msgr. Todd Lajiness, Rector

Student Resources

Computer Lab

The computer labs at Sacred Heart Major Seminary provide computer and printing resources for students. Wireless internet access and computers with the Microsoft Office suite are available in all computer labs. Commuter students who wish to use computer resources may do so in the Edmund Cardinal Szoka Library on the ground floor, or in the student lounge located on the first floor in the northwest hallway. Resident-only computer labs are also available in the ground floor of both the St. John Vianney and St. Joseph residential areas. To access wireless connectivity, printing, or the computers in any of the computer labs you will need your Sacred Heart Major Seminary username and password.

Academic Skills Center

In order to address some students' needs to improve in the core academic skills that are necessary to succeed in college-level coursework, SHMS provides the Academic Skills Center (ASC), a service through which students can receive individualized instruction. The services provided by the Academic Skills Center are designed to help students improve in writing, reading, study skills, note-taking, and test-taking. The ASC hours of operation are posted on bulletin boards throughout the building and in every classroom. The ASC is located on the ground floor in the northwest wing of the main quad. Appointments are recommended as the hours of the Academic Skills Center are limited. Please call 313-883-8768.

Support sessions for English as a Second Language through the Academic Skills Center are offered as a fee-based service to SHMS students and to the public. For more information, please contact the Assistant Dean of Studies at 313-883-8717.

Library

Housed at the heart of the seminary, directly beneath the chapel, the Edmund Cardinal Szoka Library has one of the largest Roman Catholic theological collections in Michigan. The library collections serve both undergraduate and graduate students and faculty. The information needs of SHMS students and faculty are further served by administrative, reference, instructional, and interlibrary loan services.

Containing information in a variety of formats, the library houses more than 100,000 books, 18,000 volumes of bound periodical back issues, 311 current journal subscriptions, microfilm/fiche, audio-video materials, 6 subscription databases, and an online catalog.

The main library collection, featuring Theology and Philosophy, is particularly strong in the areas of Church History, Scripture, Liturgy, Spirituality and Religious Education. The Theology focus is complemented by collections in the Fine Arts, World History, Literature and core collections in the Liberal Arts. This collection includes a circulating book collection, a reference collection, bound periodicals with titles beginning with the letters A-F, microforms, and new journal issues. Indexes to periodical articles are available for journals in theology, philosophy, and other disciplines in both print and electronic formats. Computer work station terminals, a printer, a microfilm reader, and a copy machine are available for patron use.

The Ward Reading Room, also maintained by the library staff (east wing, first floor), offers a col-

lection of bound periodicals with titles beginning with the letters G-Z. A library office is located adjacent to the Ward Room with full-time clerical assistance available. A photocopier is available for patron convenience. Also featured are a Seminary Archive and a Rare Book collection consisting of books and ephemera, which include volumes from the private libraries of Michigan bishops, a collection of seventeenth and eighteenth century miniatures, and the Gabriel Richard collection. The bulk of the Rare Book collection is on display at the north end of the Ward Reading Room. The Seminary Archive is open by appointment only.

The combined library rooms feature comfortable carrels and study tables for the seating of nearly 100 patrons. The online catalog is available over the Internet at: www.shms.edu. Internet access is also available with ten public terminals for patron use. The library offers a paid membership for guests not associated with SHMS. Tours and workshops are available for groups and classes by appointment. Individual assistance is always available.

Liturgy Lab

The Liturgy Lab is available to students and used during classes to assist in their preparation for priesthood, diaconate, and lay ministry positions.

Featuring the look and feel of being in a real sacramental setting, the lab has three primary sites: the altar area, the confessional and the baptismal font.

Satellites

The seminary regularly offers introductory theology courses at satellite locations, usually parishes located in the Archdiocese of Detroit. Convenient satellite locations and evening class times are available at various locations. Check the SHMS course schedule for parish satellite locations and course offerings.

Taught by both full and part-time faculty, the satellite courses are coordinated by SHMS, and offer undergraduate introductory theology courses that can be applied to the certificate/diploma programs, the Associate of Arts in Ministry Degree (A.A.M.), the Bachelor of Arts in Philosophy or Pastoral Theology (A.B.), the Bachelor of Philosophy (B.Phil.), or the Graduate Pre-Requisites Program.

Normal registration procedures and deadlines apply to satellite courses.

Archdiocese of Detroit Central Service Departments

SHMS enjoys a collaborative relationship with the various offices of the Archdiocese of Detroit.

This privileged partnership with the Central Service Departments in the training and continuing education of lay ministers benefits SHMS students. As SHMS collaborates closely with the Central Service Departments in the coordination of its programming, students have access to:

- A network for job placement.
- Programs that may correspond with certification requirements of the archdiocese.
- Advising regarding educational and formational opportunities to enhance their ministry.

Consortiums

DETROIT AREA CATHOLIC HIGHER EDUCATION CONSORTIUM

SHMS shares membership in the Detroit Area Catholic Higher Education Consortium with Madonna University, Marygrove College, and the University of Detroit Mercy. Founded in 1967, the consortium's mission has been to maintain cooperative exchanges among the members, especially among their students.

Consortium registration privileges enable an undergraduate student at any of the institutions belonging to the Detroit Area Catholic Higher Education Consortium to take one or more undergraduate courses at other consortium institutions during regular academic semesters at the home institution tuition rate. Consortium courses, in which a SHMS student is enrolled through the seminary, will appear on the transcript as seminary courses. Grades for these courses are transmitted to the seminary's registrar by the host institution.

Tuition is paid to the home institution. Special laboratory and/or studio fees are paid directly to the host school.

To drop, to add, or to withdraw from a course taken on the above basis, a student must comply with the deadlines of the home and host institutions and must officially inform their registrars.

The consortium places at the disposal of the seminary's undergraduate degree students a broad range of course offerings. The College of Liberal Arts urges its students to make extensive use of the consortium's resources. In fact, in most cases candidates for the seminary's undergraduate degrees must attend classes at other consortium schools in order to complete the required general education courses not offered at SHMS.

Full-Time Students: To be eligible for registration in any given semester, a full-time undergraduate student must be registered at the home institution for a minimum of eight credit hours. A full-time student may not register for more than two consortium courses in any given semester.

Part-Time Students: Part-time undergraduate students enrolled in a degree/certificate program may register through their home institution for one consortium course for any given semester. This does not require a registration in a home institution course.

DETROIT AREA SEMINARY CONSORTIUM

SHMS also shares membership in the Detroit Area Seminary Consortium with SS. Cyril and Methodius Seminary. Founded in 2005, the purpose of the consortium is to provide a forum for the exchange and dissemination of information, educational opportunities, and faculty development for pre-theology and graduate programs.

Graduate and pre-theology students in good standing enrolled in a member institution may take courses at the other consortium institution at no additional cost, subject to the following conditions:

- a. Full-time students who wish to take consortium courses in a given term must be registered for a minimum of three courses (nine credits), at least two of which are to be taken at the home institution; student must pay at least the minimum full-time tuition at the home institution. The student is considered enrolled at the home seminary. Furthermore, his/her enrollment status, i.e., FT, PT, is based on hours taken at both the home seminary and the host seminary.

- b. Part-time students who wish to take consortium courses in a given semester must be registered for a minimum of two courses, at least one of which is to be taken at the home institution. Students may, with approval, register for spring courses at the host seminary.
- c. Approval for enrolling in courses at the host institution must be obtained from the home institution. A Consortium Authorization Form must be completed by the student and signed by the authorized academic administrator. Furthermore the signature of the home seminary registrar on the Consortium Authorization Form constitutes assurance to the student that credits taken at the host seminary will be accepted by the home seminary on the same basis of course work completed at the home seminary.
- d. Each member institution has the right to limit the total number of courses a student may take at the other consortium institution, both overall and during a specific term or semester. Normally authorization will not be given to take a course at another consortium institution if an identical or clearly comparable course will be concurrently offered at the home institution.
- e. Tuition, as well as all fees, is paid by the student exclusively to the home institution. Tuition and fees for course work at the host institution are charged at the same rate as those for courses taken at the home institution. Students must also pay late registration fees to the host institution, when applicable, but these fees will not be charged when a course is dropped. All pre-registration and final registration must take place during the host institution's published dates. Drop fees, refunds or credit adjustments for drops/withdrawals will be based on the refund policy of the home institution.
- f. Students must follow all registration procedures at both home and host institution. To add, drop, or withdraw from a course, a student must comply with the deadline of the host institution and must complete the appropriate forms at both institutions so that both registrars are notified.
- g. A student receiving financial aid as a consortium student is treated no differently than a student taking all of his/her course work at the home institution.

Student Life

Committees / Councils

COLLEGE STUDENT GOVERNMENT BOARD

The College Student Government Board (CSGB) is the primary student committee of the college seminary. Through this organization, the resident seminarians are able to:

- Express their views on the Program for Priestly Formation
- Express their views on policies pertinent to the students
- Enrich and strengthen community relationships
- Provide a framework for the orderly direction of student activities and committees
- Be of assistance to the students in their formational goals by maintaining a balance of community throughout the house.

The CSGB consists of the President (elected by the student body), an activities director, student representatives and one faculty advisor.

COMMUTER STUDENT COUNCIL

The Commuter Student Council (CSC) was established to be consultative and advisory to the Institute for Ministry (IFM), and by extension to the Administrative Council. The CSC responds to the needs and concerns of the commuter students. The CSC members include representatives from various programs for commuter students. The president of the CSC represents the CSC and attends the Commuter Student Life Committee of the SHMS Board of Trustees.

The CSC meets each semester, assists in maintaining effective communication between students and SHMS, reports motions to the appropriate decision-making body, actively participates in the student orientation process, sponsors two socials each year to welcome all students, and publishes a bi-annual newsletter. For further information please call 313-883-8541.

COMMUTER STUDENT LIFE COMMITTEE

The Board of Trustees charges the Student Life Committee to review, evaluate, and make recommendations to the Board with respect to any matter pertaining to student life. Such matters include, but are not limited to, recruiting and retaining students, student life and formation, student services and extra-curricular activities. The dean of the Institute for Ministry serves as the executive secretary to the committee.

THEOLOGY COUNCIL

The Theology Council was established for students in the Master of Divinity program at SHMS. Its goals include:

- To foster the spirit and quality of adult Christian living.
- To discuss concerns of the resident Theology community and when appropriate communicate recommendations to those responsible.
- To approve expenditures of the Theology Council funds.
- To propose and coordinate activities relating to the resident Theologate Division.

The Theology Council meets monthly during the academic calendar year.

Lay Ministry Formation Opportunities

“The fundamental objective of the formation of the lay faithful is an ever-clearer discovery of one’s vocation and the ever-greater willingness to live it so as to fulfill one’s mission”

(*Christifideles Laici*, no. 58).

Formation opportunities for laymen and women at Sacred Heart Major Seminary (SHMS) are drawn from the ministerial competencies described in *Co-Workers in the Vineyard of the Lord*, the U.S. Bishops' document on lay ecclesial ministry formation. These competencies are based upon the four pillars of formation: academic, human, spiritual and pastoral. Growth in these pillars, especially the academic and pastoral pillars, is nurtured in part by coursework at the seminary. In addition to coursework, three yearly formation days (see below) focus on human and spiritual formation. Other offerings throughout the year, such as guest speakers and conferences, provide students with additional formation opportunities.

The admission process at SHMS is formational in itself. Students submit a biographical essay highlighting experiences of personal and spiritual growth. Also, the interview with an admissions officer helps prospective students discern their capacity for ministry, as well as their gifts and growth areas.

FORMATION FOR UNDERGRADUATE STUDENTS

The Institute for Ministry (IFM) sponsors three formation days each year on the topics of Discernment, Theological Reflection, and Spiritual Direction. The three sessions are required for students in the following programs:

- Basic Diploma in Catholic Theology
- Associate of Arts in Ministry
- Bachelor of Arts-Pastoral Theology

The sessions, however, are open to all students. The content of these sessions fosters theological understanding of our faith tradition. Reflection through these disciplines nurtures human and spiritual growth.

FORMATION FOR MASTER OF ARTS IN PASTORAL STUDIES STUDENTS

The Master of Arts in Pastoral Studies (M.A.P.S.) degree, whose goals are patterned after growth in the four pillars, has its own particular formation components built into the degree program. See the section on the M.A.P.S. degree for a complete description.

The IFM offers a yearly Day of Reflection for M.A.P.S. students and M.A.P.S. graduates. Current M.A.P.S. students are required to attend at least one M.A.P.S. Day of Reflection during their tenure in the M.A.P.S. program.

M.A.P.S. students may participate in the three yearly undergraduate formation days mentioned above, but they are not required to do so.

Eucharistic Celebration

The seminary community welcomes to the main chapel individuals or groups who wish to participate in the weekday Eucharistic celebration at 12:05 pm Monday through Friday.

Spiritual Direction

We encourage students to be in spiritual direction. Spiritual direction is required for all students in the M.A.P.S. program.

Notifications will arrive by means of voice mail to the phone number chosen by the user. The system requires the user to enroll. Users may enroll more than one phone number.

For information related to building access, please contact the Building Administration Office at 313-883-8599. Policies

Policy Prohibiting Harassment

Sacred Heart Major Seminary does not discriminate on the basis of race, color, creed, national or ethnic origin, sex, age, unrelated physical or mental disabilities, or veteran status in violation of applicable law (see HLC, Statement on Diversity, 2003) “insofar as such practices do not conflict with doctrine or ecclesiastical polity” (ATS, Standard 2.4).

Respect for the dignity and worth of each individual is a basic tenet of Sacred Heart Major Seminary. It is the policy of the seminary to make every effort to provide an educational environment, as well as a work environment, free from all forms of discriminatory practices, including sexual and other forms of illegal harassment. Such harassment will not be tolerated by the seminary.

This policy applies to the actions of all faculty, staff, students, visitors, and others who may provide services or do business with the seminary. All individuals who have contact with the seminary will be held to standards of conduct that ensure that the seminary is free from illegal harassment.

“Sexual harassment” refers to any unwelcome sexual attention, sexual advances, request for sexual favors, and other verbal or physical conduct or communication of a sexual nature when:

- submission to or rejection of such conduct or communication is made either explicitly or implicitly a term or condition of the individual’s work or academic relationship with the seminary; or
- submission to or rejection of such conduct or communication is used as the basis for decisions affecting such individual’s work or academic relationship with the seminary; or
- such conduct or communication has the purpose or effect of unreasonably interfering with such individual’s work or academic or work performance or has the purpose or effect of creating an intimidating hostile or offensive work or academic environment.

Examples of sexual harassment include, but are not limited to, threatening adverse action if sexual favors are not granted; promising preferential treatment in return for sexual favors; unwelcome sexual advances; unnecessary physical contact; offensive remarks, including unwelcome comments about appearance; obscene jokes or other inappropriate use of sexually explicit or offensive language and the display of sexually suggestive objects or pictures.

“Other forms of harassment” refers to any verbal or physical conduct or communication that shows hostility or aversion toward another because of his/her race, gender, national origin, or other legally protected status when such conduct or communication has the purpose or effect of:

- unreasonably interfering with or adversely affecting the individual’s work or academic performance; or
- creating an intimidating, hostile, or offensive work or academic environment.

Examples of such harassment include, but are not limited to, epithets, slurs, negative stereotyping,

or threatening, intimidating, or hostile acts that relate to race, gender, national origin, etc., and written material that is posted or displayed at the seminary that shows hostility or aversion toward another because of race, gender, national origin, etc.

Harassment may also include conduct or communication by visitors, vendors, or others who do business with the seminary when such conduct or communication is condoned by the seminary.

Any individual who feels that he or she has been subject to harassment should immediately notify the appropriate Title IX Officer (individuals identified below). The seminary will investigate all reports of harassment in as prompt and confidential a manner as possible and take appropriate corrective action when warranted.

Any individual who is determined to have engaged in harassment in violation of this policy will be subject to appropriate corrective action, up to and including termination of employment or work relationship with the seminary or exclusion from attending school at the seminary.

Retaliation, in any form, against an individual who makes a report or who cooperates in an investigation of alleged harassment under this policy is also prohibited. Any individual who is determined to have retaliated against another will be subject to appropriate corrective action, up to and including termination of employment or work relationship with the seminary or exclusion from attending school at the seminary.

The Complaint Process:

A Sacred Heart Major Seminary student electing to file a complaint will be treated courteously, the problem handled swiftly and as confidentially as feasible in light of the need to take appropriate corrective action; and the registering of a complaint will in no way be used against the SHMS student. While reporting such incidents would be a difficult personal experience, allowing harassment, discrimination, or retaliation activities to continue will most certainly lead to less desirable outcomes. For this reason, SHMS students are strongly urged to utilize the complaint procedure. However, filing groundless and malicious complaints is an abuse of this procedure and is prohibited.

The Complaint Procedure:

The following complaint procedure will be followed in order to address a complaint made by a SHMS student regarding harassment, discrimination, or retaliation.

1. Any SHMS student who feels harassed, discriminated, or retaliated against, in violation of the seminary's Policy Prohibiting Harassment may initiate the complaint process by filing a written and signed complaint with the appropriate Title IX Officers. No formal action will be taken against any person under this policy unless there are sufficient details to allow the Title IX Officer to determine if the Sacred Heart Major Seminary Policy Prohibiting Harassment has been violated. The complainant (the SHMS student making the complaint) may obtain a complaint form from a Title IX Officer.
2. Upon receiving the complaint that a violation of the Sacred Heart Major Seminary Policy Prohibiting Harassment may be occurring, the Title IX Officer will notify the Rector/President.
3. Ordinarily within five business days of receiving the complaint, the Title IX Officer will:
 - a) Notify the person(s) charged [hereafter referred to as "respondent(s)"] of a complaint.
 - b) Initiate the investigation to determine whether there is a reasonable basis for believing that the alleged violation of the Sacred Heart Major Seminary Policy Prohibiting Harassment has occurred.

4. During the investigation, the Title IX Officer, together with legal counsel or other management employee, will interview the complainant, the respondent, and any witnesses to determine whether the alleged conduct occurred.
5. Ordinarily within 14 business days of the complaint being filed (or the matter being referred to the Title IX Officer), the Title IX Officer or other person conducting the investigation will conclude the investigation and submit a report of his or her findings to the Rector/President.
6. The Title IX Officer will recommend appropriate corrective, remedial, and/or disciplinary action. The appropriate action will depend on the following factors:
 - a) The severity, frequency, and pervasiveness of the conduct;
 - b) prior complaint made by the complainant;
 - c) prior complaints made against the respondent;
 - d) the quality of evidence (first-hand knowledge, credible corroboration, etc.)
7. If the investigation is inconclusive or if it is determined that there has been no violation of the Sacred Heart Major Seminary Policy Prohibiting Harassment, but some potentially problematic conduct is revealed, corrective and/or preventative action may be taken.
8. Ordinarily within five business days after the investigation is concluded, the Title IX Officer will meet with the complainant and the respondent separately in order to discuss the fact findings of the investigation.
9. The complainant and the respondent may submit statements to the Title IX Officer challenging the factual basis of the findings. Any such statement must be submitted no later than five business days after the meeting with the Title IX Officer in which the findings of the investigation is discussed.
10. Ordinarily within ten days from the date on which the Title IX Officer meets with the complainant and respondent, the Rector/President will review the factual findings of the investigation and any statements submitted by the complainant or respondent, discuss results of the investigation with the Title IX Officer and other management staff as may be appropriate, and decide what action, if any, will be taken. The Rector/President's decision will be in writing and will include a finding of fact and a statement for or against disciplinary action. If disciplinary action is to be taken, the sanction will be stated.
11. Promptly thereafter, the Title IX Officer will report the Rector/President's decision of whether a violation of the Sacred Heart Major Seminary Policy Prohibiting Harassment has occurred to the complainant, the respondent, and the appropriate management assigned to the department(s) in which the complainant and the respondent work.
12. Any corrective, remedial, and/or disciplinary action against the respondent will be implemented.

Alternative Legal Remedies:

Nothing in this policy shall prevent the complainant or the respondent from pursuing formal legal remedies through state or federal agencies or the courts.

Drug-Free Workplace

SHMS is a drug-free workplace. Any student or employee of the seminary with questions or problems with a dependency on alcohol or any other legal or controlled substance is encouraged to contact the designated authorities, the names of whom are published each year, for confidential assistance and/or referral to a treatment or counseling program.

Smoke-free Building Policy

Due to the negative health effects associated with inhaling second-hand smoke, the seminary is a smoke-free building. Our smoke-free environment includes all enclosed indoor areas of the building, all courtyards, and the St. Joseph porch. In addition, smoking is not permitted within 50 feet of any entrance to the building.

Smoking will be permitted in other outdoor areas of the seminary grounds. People who smoke must do so outside the building. This policy extends to any visitor to the building, construction workers, and event attendees.

Individuals smoking in violation of this policy should be asked to smoke outdoors. If the individual continues to smoke, the incident should be reported to the Building Administration Office.

Equal Education Opportunity

SHMS guarantees the right to equal educational opportunity without discrimination because of race, religion, sex, age, national origin or disability. SHMS prohibits all forms of illegal harassment. All persons at SHMS are expected to abide by these policies.

Grievance Procedures

SHMS is attentive to the concerns raised by students. A student wishing to make a formal complaint about any academic aspect of the institution should file a written statement with the Dean of Studies. Such a statement should include a reference to some criteria or standard that SHMS is pledged to uphold and that has been allegedly violated as well as details about the alleged violation.

These criteria and standards can be found in the documentation of the Higher Learning Commission, the Commission on Accrediting of the Association of Theological Schools of the United States and Canada, the United States Conference of Catholic Bishops Commission on Certification and Accreditation, the *Program of Priestly Formation*, or the published documents of SHMS. A student needing assistance in locating references should contact the dean of studies. The dean of studies will assist the student in following a proper process of redress, as outlined in the institution's *Bulletin* and handbooks. If the complaint involves the Office of the Dean of Studies, the student may address the Office of the Rector/President instead.

The Academic Appeals Process is stated in the Academic Policies section.

¹ Seminarians should consult the *Seminarian Handbook*.

² See page 8 of this *Bulletin* for a complete statements of SHMS' institutional values.

Standard of Conduct for Non-seminarian Commuter Students¹

Because Sacred Heart Major Seminary is an institution with Jesus Christ “at the center of all that we do,”² respectful behavior towards others is a requirement of all staff, faculty, and students. Through respecting one another, we acknowledge our belief in the dignity of each and every human being. A non-seminarian commuter student who acts disrespectfully toward seminary staff, faculty or other students will be sanctioned.

Disrespectful behavior includes but is not limited to unwelcome conduct or communication, including electronic communication or conduct that has the purpose or effect of disrespecting other(s), e.g.:

- Disruptive behavior
- Offensive behavior
- Offensive language use
- Stalking
- Disrespecting another’s privacy
- Intimidation or threatening behavior
- Violent behavior

If a report of disrespectful behavior having been committed by a non-seminarian commuter student is received, SHMS will follow the procedure below. This procedure gives all parties the opportunity to report on an incident and allows for corrective action.

Reports of disrespectful behavior committed by non-seminarian commuter students must be made or confirmed in writing to the Dean of the Institute for Ministry within 30 days of the incident in order to initiate an investigation. Sacred Heart Major Seminary reserves the right, in its sole discretion, to investigate complaints involving incidents that have occurred beyond this time limit. The Dean of the Institute for Ministry may request a written account of the alleged infraction or may request the person reporting disrespectful behavior to confirm a written summary from any witnesses within a reasonable timeframe.

The dean of the Institute for Ministry shall conduct investigations of reports of disrespectful behavior committed by non-seminarian commuter students. Both the student and the person reporting the disrespectful behavior will receive a prompt and procedurally fair opportunity to be heard.

A student against whom a report of disrespectful behavior is made shall be requested to meet with the Dean of the Institute for Ministry within 10 days. Failure to cooperate in the investigation will result in the student’s information not being considered in the determination of violation and/or sanction.

The dean may investigate via interview or written response or other appropriate means. Upon receipt of all information, the Dean of the Institute for Ministry shall convene a meeting of a review committee which includes the Academic Dean, the Title IX Officer, and other faculty members or outside counsel as the Dean of the Institute for Ministry deems necessary or helpful. The review committee will evaluate the information and determine the need to meet with the person reporting the behavior, the student, or witnesses to the incident to gather additional information. After review and evaluation of gathered information, the committee will deliberate regarding the evidence and determine an outcome, including possible disciplinary action.

Sacred Heart Major Seminary reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community, including the right, in cases of perceived

threat of danger, to act to bar students from the campus without prior notice at any time.

Prohibited Substances

SHMS prohibits the unlawful possession, use, storage, sale or distribution of drugs and alcoholic beverages by students and employees on campus. In addition, the use of tobacco products in all public areas of the building, unless otherwise designated and posted, is strictly prohibited.

Students or employees of SHMS violating the above policy concerning use, possession, or distribution of alcoholic beverages and drugs will be subject to disciplinary and/or legal action, consistent with local, state and federal law. Disciplinary action by the faculty and/or the administration may consist of payment of fines, verbal reprimand, restitution of damage, restriction of privileges, disciplinary probation, completion of an appropriate rehabilitation program, suspension, dismissal and/or notation on the student's or employee's record of dismissal or suspension, depending on the nature and severity of the violation.

Weapons

No student is permitted to carry on his or her person, in a briefcase or handbag or any other container or in any other way have possession of any weapon (i.e. firearm, explosive, or any other instrument capable of doing serious bodily harm) on the premises of SHMS.

Seminary Email Address

SHMS issues an email address to each student, faculty member, and staff member. The seminary email address is the primary means of communication between the seminary and the student, faculty member, or staff member. It is hoped that everyone will take full advantage of their seminary email; however, if you already have a personal or work email, you may forward your SHMS email to that particular address. Those who choose to forward their email are responsible for updating the forwarding email address should it ever change.

Student Handbooks

Additional information for students can be found in student handbooks. Handbooks can be picked up in the IFM office for all commuter students and the Office of the Vice Rector/Dean of Seminarian Formation for all seminarians.

Students Requiring Special Accommodation Due to a Disability

Students who may require accommodation to assist them in participating in a class, program, or activity because of a disability should contact the assistant dean of studies at 313-883-8717. The assistant dean of studies will coordinate efforts to formulate an appropriate, effective accommodation program for the student.

Disability includes physical and mental impairments and specified learning disabilities. Students seeking accommodation may be required to provide medical documentation regarding their limitations and their need for accommodation. Medical records regarding disability will be kept confidential. Such information may be considered for formation purposes, consistent with the guidelines of confidentiality for formation.

Weather Closing

Class cancellations due to inclement weather are communicated on local radio and television broadcasts. Students can also call the SHMS weather hotline at 313-883-8780 to inquire about class cancellations or seminary closings.

Financial Aid

SACRED HEART
MAJOR SEMINARY

“Acquire but a little instruction; you will win silver and gold through her.” —Sirach 51:28

Financial Aid

Sacred Heart Major Seminary (SHMS) seeks to provide maximum financial aid from various federal, state, private and institutional sources. Available to all students, financial aid programs support SHMS' commitment in providing an authentic Catholic education to those who want to articulate the Catholic faith with confidence.

Eligibility for Federal and State Programs

To qualify for federal and state programs, a students must:

- Be a U.S. citizen, permanent resident or have other qualifying INS status.
- Not be in default on a federal student loan or owe a repayment on a federal grant.

All students of SHMS are encouraged to apply for assistance. It is our goal to make it possible for students of all levels of financial capacity to attend SHMS by awarding financial assistance in recognition of achievements, Christian service, catechetical involvement, and financial need, by providing advice about additional financing options. Through the generosity of benefactors and alumni, SHMS is able to draw from a number of resources to fit each student's particular needs and program goals.

Applying for Financial Aid

To apply for financial aid the student must complete the Sacred Heart Major Seminary Financial Aid Application and FAFSA (Free Application for Federal Student Aid). These forms assist in determining the appropriate award for each student, taking into consideration each student's financial obligations, ministry, educational background and parish, as well as his or her income.

The application forms are available from the Office of Financial Aid. Both forms are also available online at www.shms.edu. For maximum consideration for aid, applications should be completed and submitted by February 20.

Students seeking aid should:

- Complete the financial aid applications and return them to the Office of Financial Aid.
- Submit the government FAFSA online at www.fafsaed.gov using the SHMS school code of 002313.
- Submit the Fishermen's Fund application for those in the Archdiocese of Detroit.

Michigan residents planning to attend SHMS should list the SHMS school code as the first school on their FAFSA to ensure consideration for the Michigan Tuition Grant (for A.B. Philosophy students only).

After the FAFSA is successfully submitted, the U.S. Department of Education will send a Student Aid Report (SAR) to the student and the seminary. The SAR will list the Expected Family Contribution (EFC), which assists the seminary in evaluating the financial aid award.

Applicants should thoroughly review the SAR to ensure all answers are correct.

Upon request, students may be required to complete a verification worksheet and provide signed financial documents (federal tax return, etc.). Beginning with the 2012-13 school year, files in verification are required to request tax transcripts and send them to the school.

After the completion of all required applications, financial aid eligibility will be determined.

Financial aid is based on each student's personal criteria each year and is not automatically renewed. Both the Sacred Heart application and FAFSA must be submitted for each academic year.

- Awards are subject to change if a student is offered additional aid from outside sources, and if the award total exceeds the financial need figure on the student's award notification.
- A student's award may be re-evaluated if an extreme change occurs in his or her financial circumstances. Students whose family obligations change significantly during the year should notify the Office of Financial Aid in writing.
- Students receiving financial assistance must show satisfactory academic progress, finish the program within a specified time frame, as well as complete a specified number of credits each year.

Additional criteria considered in making a financial aid award may include loan origination fees (federal direct or private loans), dependent care costs while the student attends school, special needs costs for students with disabilities, unusual household or medical costs, or private school education expenses for children in K-12. Students meeting any of these additional criteria should request a Special Condition Form from the Office of Financial Aid outlining the type and amounts of these expenses. Documentation supporting this form should be returned to the Office of Financial Aid for evaluation.

Federal Aid Policies

Students receiving federal financial aid must complete the semester hours for which aid has been disbursed. Failure to complete these hours will result in loss of financial aid.

- Students must complete at least 60% of each semester to earn their full financial award.
- Federal aid award totals will be prorated for students who completely withdraw prior to completing 60% of the term.
- Students who complete 10% of the semester will earn 10% of his or her federal aid award.
- All Pell Grant funds in excess of the students earned amount must be returned to the federal government.
- If part of the Pell Grant had been returned in a refund to the student, the student would have to repay or make acceptable arrangements to repay 50% of the amount due to be returned within 45 days.
- Students who fail to make payments or acceptable payment arrangements will be ineligible for further federal financial aid until they have complied with the federal repayment requirements.
- Students withdrawing from SHMS prior to the 60% completion point of the term will be assessed full charges. The full charges are the responsibility of the student, even though there is only partial financial aid eligibility. These charges must be paid prior to enrolling in a subsequent semester.

Entrance and Exit Interviews

Students borrowing federal loans are required to complete an on-line entrance interview before their first loan can be disbursed. Students may access this site at <https://studentloans.gov>. First-time freshmen and transfer students will have a 30-day delay in the first disbursement of their federal loans.

In addition, an exit interview is mandatory upon leaving the school or dropping to less than half-time status. Go to: <https://studentloans.gov> for exit counseling. During exit counseling, the student and/or borrower is required to provide their permanent address, the name and address of an expected employer, the address of the next of kin, and any corrections to seminary records including his or her name, address, social security number, references and driver's license number.

Students with federal student loans should check their loan balances and loan information from time to time at http://www.nslds.ed.gov/nslds_SA/.

Student Loan Deferments

All students who are enrolled at least half-time (i.e., 6 credits for undergraduate students, 4 credits for graduate students) may be eligible to receive loan deferment. All deferment requests are to be submitted to the Office of the Registrar for processing.

U.S. Department of Education's 150% Rule for Subsidized Loans

Effective July 1, 2011, the U.S. Department of Education's 150% rule for subsidized loans applies to students with federal loans as of this date and beyond. Students with federal loan indebtedness will be tracked by the Department of Education for as long as the student is enrolled to ensure the student completes his/her program in 150% of the published length of the program. If the student does not complete his/her program in this timeframe, the student will lose the interest subsidies on subsidized loans and interest will accrue as though it were an unsubsidized loan.

Since this rule only affects student loan indebtedness as of July 1, 2011, students with prior student loan indebtedness will not be tracked. If in the future the student pays off his/her loans completely, then returns to school, the student will be tracked.

Students who are attending full-time during the allotted period and go beyond the 150% of time to complete are not meeting Satisfactory Academic Progress.

For Sacred Heart Major Seminary students this rule applies as follows:

Published full-time completion:

Associate of Arts in Ministry – 2 years
Bachelor of Arts – 4 years

Completion within the 150% guidelines:

Associate of Arts in Ministry – 3 years
Bachelor of Arts – 6 years

Satisfactory Academic Progress

All students receiving financial aid must make Satisfactory Academic Progress (SAP) toward their degree or certificate. SAP is measured in two ways: by achievement of a satisfactory grade point average and by progressing in credit hours toward the degree or diploma.

Under the federal SAP policy

- A student must attain either a cumulative grade point average of at least a 2.0 or the minimum grade point average required for graduation for the degree or diploma program in which the student is enrolled.
- A student must complete his/her degree or diploma within 150% of the time normally allocated to complete the program.
- A student must make incremental progress toward the degree, completing at least two-thirds of the credits for which they enroll in at least one of the two regular academic year semesters, with either at least a 2.0 average or the minimum required for graduation for the degree or diploma program in which the student is enrolled.
- All undergraduate students must maintain at least a 2.0 cumulative grade point average by the end of their second year. All graduate students must maintain their program grade point requirements in order to receive financial aid. Please refer to the appropriate academic department section in the *Bulletin* or consult with your academic advisor.
- A student's SAP will be reviewed once each year.

Students who do not meet the SAP policy will be notified by letter, and will be put on financial aid SAP probation for the next academic term.

Probation and Appeals

If placed on probation, students will be required to meet with their academic advisors for guidance in selecting a program of study that will assist them in meeting the financial aid SAP requirements. Financial aid will continue during the probationary semester, providing all requirements for receiving aid are met.

When students successfully complete the probationary semester, they will be removed from financial aid SAP probation. If requirements of the probationary semester are not completed, financial aid will be discontinued until such time as the student meets the SAP policy requirements. These requirements can be met at SHMS or at another college or university.

Students who do not successfully complete their probationary semester and are notified of discontinuance of their financial aid may appeal the decision in writing. This correspondence should

note any special circumstances that may have prevented them from making SAP and how these circumstances have been resolved in order to permit the student to be successful in future semesters.

Appeals will be reviewed by at least three professionals, and the decision of these individuals will be final. Appeals for Term II of each year must be received in the Office of the Registrar no later than the end of the second week of classes. The SAP policy shows minimum achievement standards required for continuation of federal financial aid. Requirements of individual degrees/diploma programs may be higher.

Student Costs

Academic Charges Payable at Registration

Payment for each semester is due at the beginning of the semester. Students may use cash, Visa, MasterCard, check, or money order made out to Sacred Heart Major Seminary. No student will be permitted to re-register, to receive credit for work completed, to obtain a transcript, or to receive a degree until all financial obligations have been paid in full.

Penalties

All returned checks will constitute non-payment and will be subject to a \$25.00 penalty. Late charges will be assessed when applicable.

Refunds/Adjustments

Students are required to officially drop or withdraw from a class(es) in person or in writing through the Office of the Registrar. The date the Office of the Registrar receives the request will be used to determine the amount of any adjustment of tuition after classes have begun. For financial aid purposes, when a student withdraws from a course, the last date of attendance will be considered the date of withdrawal.

Students who do not officially drop or withdraw from a course are responsible for the full tuition. Furthermore, if a student does not officially drop or withdraw from a course it will result in a failing grade. This grade will be documented on the student's academic record.

Tuition adjustments will be made according to the following schedule:

Add/Drop week	100% less \$20.00 add/drop fee
2nd week	80% refund
between 2 and 3 weeks	60% refund
between 3 and 4 weeks	40% refund

High school students of superior ability who have completed their junior year as well as students under the age of 18 who have a high school diploma or GED may be admitted as special students to Sacred Heart Major Seminary under Early Enrollment status. In extremely rare cases, the dean of studies and the dean of the Institute for Ministry may allow a student who has completed his/her sophomore year to be admitted, provided the student possesses an outstanding social and intellectual character; these cases are an anomaly and is not the practiced norm. High school students may earn college credit (maximum of six credit hours per semester in lower division courses) at SHMS while concurrently completing high-school graduation requirements. All credits earned under Early Enrollment status may be applied toward a diploma or degree program. The following requirements must be submitted prior to enrolling:

1. Letter of approval from a parent or legal guardian.
2. Letter of permission from a high school principal or guidance counselor indicating a scholastic standing of 3.0 or better.
3. Official high school transcript.
4. Personal interview with the director of admissions prior to admission; an interview with the director of admissions, the dean of the Institute for Ministry, and the dean of studies is required for students who have just completed their sophomore year of study.

English Language Competency

If the applicant's native language is not English, he/she may be required to take the Test of English as a Foreign Language (TOEFL) or the Michigan English Language Assessment Battery (MELAB). The Office of Admissions will make the final determination whether the TOEFL or MELAB will be required for an applicant. Students must achieve a score of 550 or above on the paper-based TOEFL; 213 or above on the computer-based TOEFL; 83 or above on the Internet-based TOEFL; or 85 or above on the MELAB. When making arrangements for either examination, the applicant should request that test results be forwarded to Sacred Heart Major Seminary, Office of Admissions, 2701 Chicago Blvd., Detroit, MI 48206 USA. The dean of studies reserves the right to waive the TOEFL or MELAB requirement.

Transfer of Credits

It is the responsibility of the student to authorize and request that academic records and transcripts be sent to SHMS. All records and transcripts must be received prior to registration. All transfer credits:

1. Must be earned at a post-secondary institution accredited by ATS or an accreditor recognized by the Council for Higher Education Accreditation (CHEA).
2. Earned as developmental courses (below 100 level) are not transferrable.
3. Must represent work that is applicable to the student's chosen course of study.
4. Must represent work that is substantially equivalent in quality and quantity to the work for which it is to be substituted at SHMS.
5. Must have a passing grade of C (2.0) or better.
6. Will be recorded on the student's transcript with the grade of TR.
7. Will not affect the student's GPA at SHMS.
8. Must be approved by the dean of studies, assistant dean of studies, or registrar.

Transfer students should be aware that every degree program has a minimum number of credits which must be earned at SHMS. Applicants should consult the requirements of their desired course of study before applying.

Change of Program

All undergraduate students who wish to change or matriculate into a different course of study within the College of Liberal Arts must:

Once all required materials have been received, the appropriate admissions committee will review the request. Students will be admitted into the program governed by the *Bulletin* in effect for the new program at the time of acceptance and as specified in the acceptance letter.

Application Deadlines

Undergraduate applications and additional materials are due on the following dates based on the intended term of attendance:

- Fall semester (September – December): August 15
- Winter semester (January – April): December 6
- Spring semester (May – June): April 15

Notification of Admission

Once all required application materials have been received, the Undergraduate Commuter Admissions Committee will review the application. Applicants can expect to receive written notification, by email and regular mail, from the Office of Admissions regarding their admission status. Applicants who have questions regarding their admissions status can call the Office of Admissions at 313-883-8520.

COMMUTER ADMISSIONS: Graduate School of Theology

The priests, seminarians, deacons, religious and lay men and women who are graduate students at SHMS today are being formed as leaders for the New Evangelization tomorrow. Thus, the Graduate School of Theology holds its students to high standards of academic progress and formational integrity. While SHMS welcomes a diverse body of students, admission to the graduate and post-graduate programs is selective. The respective admissions committees consider every application individually and weigh a variety of factors.

Any man interested in becoming a Catholic priest should refer to the Seminarian Admissions section of this document.

Unclassified Graduate Application Procedure

New students who wish to audit courses or take up to twelve (12) graduate credits without matriculating into a degree program must complete the following requirements:

- **Online application at www.shms.edu**
Applicants who do not have computer access will be able to complete the application form during their interview.
- **Official transcripts**
Applicants must contact each college or university from which they received academic credit and request official transcripts. Official transcripts must be mailed or sent electronically directly from the school to SHMS.
- **Interview with a member of the admissions staff**
The purpose of the interview is for the Office of Admissions to learn more about the prospective student's background and goals and to assist with any questions or concerns. Call 313-883-8520 to schedule an appointment. Day and evening times are available.
- **Valid GRE scores**
All applicants who have not completed the Graduate Record Exam (GRE) within the last five years must arrange to take the test and have the scores forwarded to SHMS (school code: 2692). The committee considers the Verbal Reasoning and Analytic Writing scores in conjunction with a variety of other factors. The committee has no minimum scores, nor does it factor the Quantitative Reasoning score in any way. For test information, including scheduling to take the exam at a local testing center, go to www.ets.org/gre. The GRE may be waived at the discretion of the director of admissions based on prior graduate level coursework earned at an institution accredited by ATS and/or by an accreditor recognized by the Council on Higher Education Accreditation (CHEA).

Graduate Certificate/Diploma/Degree Application Procedure

In order to be considered for admission into a degree program within the Graduate School of Theology, all applicants must complete the following requirements:

- **Online application at www.shms.edu**
Applicants who do not have computer access will be able to complete the application form during their interview.
- **Interview with a member of the admissions staff**
The purpose of the interview is for the Office of Admissions to learn more about the prospective student's background and goals and to assist with any questions or concerns. Call (313) 883-8520 to schedule an appointment. Day and evening times are available.
- **Two recommendation forms**

Applicants must have the recommendation forms or letters completed by persons (e.g. pastor, co-worker, teacher) capable of assessing whether or not they would be suitable candidates for their desired program. Recommendations from family members or friends will not be accepted by the Graduate Admissions Committee. Ideally, one recommendation form or letter should be from a former professor who can evaluate the applicant's aptitude for graduate study.

- **Official Transcripts**

Applicants must contact each college or university from which they received academic credit and forward official transcripts. Official transcripts must be mailed or sent electronically directly from the school to SHMS.

- **Essay/Statement of Intent**

In approximately 500 words (or one page), applicants should provide a brief biographical sketch of personal and spiritual growth, describe the circumstances which have led him/her to apply, explain the reasons for choosing the program applied for, and list some of his/her goals upon completion of the program. This essay can be printed and submitted in-person, via email, or via mail.

- **Valid GRE scores**

All applicants who have not completed the GRE General Test within the last five years must arrange to take the test and have the scores forwarded to SHMS (school code: 2692). The committee considers the Verbal Reasoning and Analytic Writing scores in conjunction with a variety of other factors. The committee has no minimum scores, nor does it factor the Quantitative Reasoning score in any way. For test information, including scheduling to take the exam at a local testing center, go to www.ets.org/gre. The GRE may be waived at the discretion of the director of admissions based on prior graduate level coursework earned at an ATS and/or regionally accredited institution.

Full Admission

Full admission grants students full standing in the program to which they applied.

Unclassified Graduate Admission

Students who have not yet decided on a particular course of study may choose to apply as an unclassified graduate student and matriculate into a course of study at a later date. Students should

be aware that a maximum of 12 credits earned as an unclassified student can be applied toward a course of study. At the discretion of the dean of studies, students who do not matriculate into a course of study after earning 12 credits may have their admissions status reconsidered.

International Student Admissions

International students who are not residents of the United States or its territories and who wish to apply for admission to SHMS must have a valid non-immigrant visa status. As such, they are required to complete the following additional requirements as part of the application procedures:

1. Copy of valid passport and current visa.
2. Official notarized or certified statement from the student's bank showing available funds sufficient to meet annual expenses. All financial statements must be dated within the past three (3) months to be considered valid.
3. At the discretion of the director of admissions, students who have attended post-secondary education at a foreign institution may be required to request a "Course-by-Course Evaluation" from one of the following two agencies:
 - World Educational Services: <http://www.wes.org/fees/evaltypes.asp>
 - Educational Credential Evaluators:
<http://www.ece.org/main/content=EvaluationServices&SubSite=1&LeftNav=2#CBC>Students who attended a pontifical institution in Rome need not request a "Course-by-Course Evaluation"; however, official transcripts from these institutions must be submitted.
4. If the applicant's native language is not English, he/she may be required to take the Test of English as a Foreign Language (TOEFL) or the Michigan English Language Assessment Battery (MELAB). The Office of Admissions will make the final determination whether the TOEFL or MELAB will be required for an applicant. The dean of studies reserves the right to waive the TOEFL or MELAB requirement.
 - Students must achieve a score of 550 or above on the paper-based TOEFL; 213 or above on the computer-based TOEFL; 83 or above on the Internet-based TOEFL; or 85 or above on the MELAB.
 - When making arrangements for either examination, applicants should request that test results be forwarded to Sacred Heart Major Seminary, Office of Admissions, 2701 Chicago Blvd., Detroit, MI 48206 USA.

Once the student has been officially admitted, an acceptance letter and I-20 (Certificate of Eligibility for Nonimmigrant F-1 Student Status) will be issued. All international students must have a SEVIS generated I-20 issued by an educational institution approved by the Department of Homeland Security, which he or she should submit when they are applying for an F-1 student visa. The student is responsible for paying the SEVIS I-901 visa fee and applying for the F-1 visa through a United States Embassy or Consulate in his or her home country.

International Transfer Students: Students who currently hold an F-1 visa and who are transferring from another academic institution within the United States to SHMS will, in addition to the above, also have to present:

- Copy of the I-94 card
- Copy of current I-20
- Official transcripts from all U.S. colleges or universities attended

Enrollment Requirements: In order to maintain their F-1 visa status, international students must be enrolled in a full-time course of study. Full-time status is defined as twelve (12) credits or more per semester as an undergraduate student or nine (9) credits or more as a graduate student.

EXCEPTION: Canadian “border commuter students”, who are registered as such with an F-3 status, may enroll in a part-time course load provided that the reduced load is consistent with the student’s approved course of study.

Permanent Residents: Students must present a copy of their passport and certified copies of both front and back sides of their federal Permanent Resident card (“green card”).

International Student Application Deadlines:

Fall Semester (September – December)	May 1
Winter Semester (January – April)	September 1
Spring Semester (May – June)	January 2

Applications received after the above deadlines will be deferred to the next semester, if appropriate.

Readmission

Students who have attended SHMS but have not enrolled in a class for over three academic years must apply for readmission. The Office of Admissions reserves the right to determine if readmission is required based on the above requirements. In order to be considered for readmission, students must complete the following:

- A readmission/Change of Program Form accompanied by the \$30 readmission fee. This application should include the reasons for withdrawal and why the student feels he/she is able to return at this time. Incomplete forms will not be accepted by the Admissions Committee.
- Any documents required for the program into which the student wishes to be readmitted. These documents must be submitted at the time of readmission.
- Students who have attended other colleges and/or universities since their most recent enrollment at Sacred Heart must submit an official transcript from each college or university attended to the Office of Admissions before a readmission decision will be made.

Students who took courses at a reduced tuition rate (i.e. numeric grades on transcript) must convert these classes to full-credit courses in order for them to apply to a degree or diploma program. Please refer to the “Student Costs” section of this bulletin for further information.

A student who previously studied as a seminarian must petition and obtain written approval from the current Rector.

International Students: Please refer to the International Student Admission policies. All readmission materials must be received by the stated admission deadlines.

Ordinarily, students must have at least a cumulative 2.5 GPA at SHMS in order to be considered for readmission. If a student has less than a cumulative 2.5 GPA, the student must also submit a recommendation form completed by a previous instructor. Readmitted students are matriculated into the program governed by the *Bulletin* in effect at the time of readmission and as specified in the admission letter.

Concurrent Dual-Degree Enrollment

A student may apply to the appropriate admissions committee to be accepted into a second degree program. If accepted, the student must complete all the requirements of both degree programs, but

may apply a limited number of credits from the first degree toward the second degree. Concurrent dual-degree enrollment must meet the following guidelines:

1. No more than half of the required hours from the first degree may be transferred toward the second degree. Thus, M.A. students may transfer not more than 20 hours; M.A.P.S. students not more than 24 hours; M.Div. students not more than 55 hours. Transfer credits, however, may not exceed the guidelines identified in number 2 below.
2. Not more than half of the degree credits required for the second degree may be granted by credits applied from the first degree. Thus, a maximum of 20 hours may be applied toward an M.A. concurrent degree; a maximum of 24 hours may be applied toward an M.A.P.S. concurrent degree; a maximum of 55 hours toward an M.Div. concurrent degree. Transfer credits may not exceed the guidelines identified in number 1 above.
3. Students must maintain the GPA of the second degree program as computed on the basis of courses taken for that degree.
4. Students must complete the language, formation and integrating studies requirements (if any) of the second degree program and must pay for these at the current credit rate (those courses are not to be used as elective credit in the first degree program).
5. Students must complete the second degree program in the requisite time period for matriculation into the second degree program.

Subsequent Dual-Degree Enrollment

A student who has completed one degree program in the SHMS Graduate School of Theology may apply to the appropriate degree committee for another degree program. To complete this second degree, the student may credit toward the second program coursework completed during the first degree, if those courses were completed within ten years prior to the matriculation into the second degree program and as long as all the guidelines mentioned in the concurrent dual-degree enrollment policy are followed.

Note: If the subsequent degree a student is seeking is the S.T.B. or the S.T.L., the concurrent dual-degree enrollment policy does not apply as these degrees are awarded by the Pontifical University of St. Thomas Aquinas (*Angelicum*).

Change of Program

All graduate students who wish to change or matriculate into a different course of study within the Graduate School of Theology must:

- Submit a Readmission/Change of Program Form and corresponding \$30 processing fee indicating the reasons for the request and the student's goals upon completion of the new program. Incomplete forms will not be accepted by the Graduate Admissions Committee.
- Submit additional admissions documents as required for the specific degree program being sought.
- Submit a recommendation form completed by a previous instructor (for students with a cumulative GPA less than 2.5 in previous academic work).
- Petition and obtain written approval from the Rector (for students who previously studied as a seminarian).

Once all required materials have been received, the appropriate Admissions Committee will review the request. Students will be admitted into the program governed by the *Bulletin* in effect for the new program at the time of acceptance and as specified in the acceptance letter.

Guest Status

A guest student is any student who has matriculated at another graduate institution and who wishes to take a graduate course at SHMS. In order to gain guest student status, a student must have at least a 2.5 GPA at his/her home institution. A completed Michigan Intercollegiate Graduate Studies (MIGS) form, or its equivalent, must be submitted to the Office of the Registrar prior to enrolling. A guest student is considered active for the term dates listed on his/her application.

Transfer of Credits

It is the responsibility of the student to authorize and request that academic records and transcripts should be sent to SHMS. All records and transcripts must be received prior to registration. All transfer credits:

1. Must be earned at a post-secondary institution accredited by ATS or an accreditor recognized by the Council for Higher Education Accreditation (CHEA).
2. Must represent work that is applicable to the student's chosen course of study.
3. Must represent work that is substantially equivalent in quality and quantity to the work for which it is to be substituted at SHMS.
4. Must have a passing grade of C (2.0) or better.
5. Will be recorded on the student's transcript with the grade of TR.
6. Will not affect the student's GPA at SHMS.
7. Must be approved by the dean of studies, assistant dean of studies, or registrar.

Transfer students should be aware that every degree program has a minimum number of credits that must be earned at SHMS. Applicants should consult the requirements of their desired course of study before applying.

Application Deadlines

Graduate admissions applications and additional materials are due on the following dates based on the intended term of attendance:

- Fall Semester (September – December): August 15
- Winter Semester (January – April): December 6
- Spring Semester (May – June): April 15

Notification of Admission

Once all required application materials have been received, the Graduate Commuter Admissions Committee will review the application. Applicants can expect to receive written notification, by email and regular mail, from the Office of Admissions regarding their admission status. Applicants who have questions regarding their admissions status can call the Office of Admissions at 313-883-8520.

SEMINARIAN ADMISSIONS

With due regard for the dignity of the priesthood, the purpose of an admission process is to discern whether an applicant possesses the necessary qualities to begin a program of discernment and formation for the priesthood (cf. *Program of Priestly Formation*, 34). The admissions committee should proceed, therefore, with prudence and a sense of responsibility on behalf of the Church. For their part, applicants should be encouraged to participate with a high degree of transparency and honesty.

Anyone interested in enrolling at SHMS as a candidate for the Catholic priesthood must first contact the Archdiocese of Detroit Vocations Office 313-237-5875 or the vocations office of his home diocese or religious institute. Additional Admission Requirements for College Seminarians – Bachelor of Arts

Admission of seminarians to the College and Pre-Theology is the responsibility of the Undergraduate Seminarian Admissions Committee. When an applicant is deficient in meeting a criterion for admission, the committee may admit him on probation.

- If applicable, the applicant should request a letter of recommendation from his current or last employer. The letter should attest to the applicant's integrity and dependability.

ASSESSMENT OF APPLICANTS TO COLLEGE AND PRE-THEOLOGY

Spiritual Development

- An applicant should give evidence of a habit of prayer and active participation in the Eucharist and the Sacrament of Reconciliation. Regular Sunday attendance at Mass and a prayer life that involves some regular meditation on the Scripture and conversational prayer are expected at a minimum.
- He should be able to attest to the life of a disciple: conscious faith in Christ; basic understanding the truths of the faith as set forth in Scripture and the Catechism; keeping the Ten Commandments and the precepts of the Church.
- He should be able to articulate his conviction that he is responding to a call from Jesus Christ.
- He should give evidence of participation in parish and community life that demonstrates a desire for service to others.
- He should demonstrate an understanding of what a priest is and does. Although he may not use the language, he should at least be able to identify the basic elements of the three-fold ministry of sanctifying, teaching and governing.
- He should be aware and accepting of the Church's requirement of chaste celibacy for priests.

Academic Standards

- If an applicant has not yet attended college, he should ordinarily have a 2.5 (out of 4.0) grade point average on his high school transcript or a GED score of at least 50.
- If an applicant is a transferring student, in addition to the high school transcript or GED, he must have a cumulative 2.5 (out of 4.0) grade point average on college transcripts.
- If an applicant has completed college, then a 2.5 (out of 4.0) grade point average is required from the college where the degree was earned.
- If the academic documentation indicates some concerns about ability, then the applicant may be admitted on academic probation. This will require follow up with the Learning Center for testing and specialized programming.

Human Development

- An applicant should evince a level of emotional maturity and stability commensurate with his age. Evidence of these would include the ability to speak appropriately about his

- emotional life, a healthy perspective on his family experience, recommendations by those who know him well, the ability to hold a job, good stewardship of personal finances.
- He should indicate a healthy male self-image and an ability to develop and maintain good interpersonal relationships with both men and women. Evidence of these would include good social skills, basically masculine affect, at least a few sustained friendships, involvement in extra-curricular activities.
 - An applicant should exhibit a healthy sense of independence, appropriate spiritual motivation, willingness to work with others, and responsibility.
 - If the applicant has been sexually active in the past, he should have practiced continence for at least two years prior to entry into priestly formation (*PPF*, 54).
 - Regarding same sex attraction, the following constitutes the seminary's approach:

A man who applies to Sacred Heart who experiences same sex attraction should know that the Church has issued guidelines about the admission of candidates with deep seated homosexual tendencies:

...the Church, while profoundly respecting the persons in question, cannot admit to the seminary or to holy orders those who practice homosexuality, present deep-seated homosexual tendencies or support the so-called "gay culture".⁹

The Congregation for Catholic Education has instructed seminaries not to admit such possible candidates who have these deep-seated tendencies. Men who propose themselves for admittance, who are aware of same sex attractions, have the responsibility to speak of their attraction to their vocations director.¹⁰

In these guidelines, a deep seated tendency is understood as a symptom of affective immaturity which derives from the psychological and spiritual matrix of a SSA. This affective immaturity impedes relating with men and women in an authentic manner, and impedes the priest's role as father and spouse. An aspect of this immaturity is an exclusive attraction with regard to persons of the same sex (a structural orientation).

If the admissions team and the Rector believe that it is probable that a man's same sex attraction is transitory and not what the Instruction calls "deep-seated,"¹¹ then the man may be admitted to formation.

If a man has had past involvement with an active homosexual lifestyle or in supporting gay culture, the possibility of scandal and the effects of past participation in homosexual lifestyle must be weighed by the admissions team and the Rector.

- If the interviews and documentation indicate that the applicant could benefit from counseling, then appropriate follow-up would be pursued in the formation process.

⁹ Congregation for Catholic Education. "Concerning the Criteria for the Discernment of Vocations with Regard to Persons with Homosexual Tendencies in View of Their Admission to the Seminary and to Holy Orders." (CCDV) *Origins* 35 (26) 440 D8, 2005. http://www.vatican.va/roman_curia/congregations/ccatheduc/documents/rc_con_ccatheduc_doc_20051104_istruzione_en.html

¹⁰ "It would be gravely dishonest for a candidate to hide his own homosexuality in order to proceed, despite everything, toward ordination (CCDV)."

¹¹ "Different, however, would be the case in which one were dealing with homosexual tendencies that were only the expression of a transitory problem -- for example, that of an adolescence not yet superseded (CCDV)."

- If the interviews and documentation indicates that long term therapeutic intervention is required, then the applicant's file will be delayed until issues are resolved satisfactorily.

Pastoral Aptitude

- The applicant should attest to some level of involvement in parish service, whether liturgical or otherwise.
- He should be able to articulate an aspiration to the servant leadership role required of a parish priest.

OUTCOME OF ADMISSIONS PROCESS

Notification

After the Admissions Committee meeting, the rector/president will notify the applicant in writing of the seminary's decision. The letter will include whatever recommendations are appropriate. Specific issues will be addressed in the formation process. The rector/president will notify the vocation director of the outcome.

Orientation Information

The director of undergraduate/graduate seminarians will send information regarding orientation one month prior to the beginning of school. Special concerns can be handled by phone.

Concurrent Dual-Degree Enrollment

A seminarian may apply to the appropriate admissions committee to be accepted into a second degree program. The application process includes the following requirements:

- The applicant should submit a Change of Program/Change of Program Form and the corresponding \$30 processing fee. The form should indicate the reasons for the request and the student's goals after completing the program. Incomplete forms will not be accepted by the Admissions Committee.
- Seminarians who have earned less than a 2.5 GPA in previous academic work must also submit a recommendation form or letter to the director of admissions.
- Seminarians must submit all the required admissions materials of both degree programs.

Seminarians may apply a limited number of credits from the first degree toward the second degree. Concurrent dual-degree enrollment must meet the following guidelines:

1. No more than half of the required hours from the first degree may be transferred toward the second degree. Thus, M.Div. students may not transfer more than 55 hours. Transfer credits, however, may not exceed the guidelines identified in number 2 below.
2. Not more than half of the degree credits required for the second degree may be granted by credits applied from the first degree. Thus, a maximum of 20 hours may be applied toward an M.A. concurrent degree; a maximum of 55 hours toward an M.Div. concurrent degree. Transfer credits may not exceed the guidelines identified in number 1 above.
3. If the seminarian is from a diocese other than Detroit, the diocese will be billed for the additional degree credits required for the second degree unless the seminarian has agreed to pay for them.
4. Students must maintain the GPA of the second degree program as computed on the basis of courses taken for that degree.
5. Students must complete the language, formation and integrating studies requirements (if any)

- of the second degree program and must pay for these at the current credit rate (those courses are not to be used as elective credit in the first degree program).
6. Students must complete the second degree program in the requisite time period for matriculation into the second degree program.

Subsequent Dual-Degree Enrollment

A seminarian who has completed one degree program in the SHMS Graduate School of Theology may apply to the appropriate degree committee for another degree program. The following requirements apply:

- Submit a Change of Program/Change of Program Form and the corresponding \$30 fee. The form should indicate the reasons for the request and the student's goals after completing the program. Incomplete forms will not be accepted by the Graduate Admissions Committee.
- Seminarians who have earned less than a 2.5 GPA in previous academic work must also submit a recommendation form from a previous instructor.
- Submit a recommendation form from a previous instructor (for seminarians must submit all the required admissions materials for the second degree program).

To complete the second degree, the seminarian may transfer credit toward the second program coursework completed during the first degree, if those courses were completed within ten years prior to the matriculation into the second degree and as long as all the guidelines mentioned in the concurrent dual-degree enrollment policy are followed.

Note: If the subsequent degree a student is seeking is the S.T.B. or the S.T.L., the concurrent dual-degree enrollment policy does not apply as these degrees are awarded by the Pontifical University of St. Thomas Aquinas (*Angelicum*).

Registration

SACRED HEART
MAJOR SEMINARY

“Love justice, you who judge the earth; think of the Lord in goodness, and seek him in integrity of heart.” –Wisdom 1:1

Registration

Registration Process

A student must be admitted before he/she is able to register for classes. Those seeking first-time commuter status should contact the Office of Admissions through the Institute for Ministry at 313-883-8520.

The student should consult the requirements for his/her program of study as outlined in the bulletin under which the student matriculated. The student's academic advisor is available to discuss the student's course plan prior to registering for classes. Once a student has selected courses for credit, he/she must register online through COR, the seminary's student services web portal. If a student wishes to audit a class, it must be done in writing through the Office of the Registrar. Students will not receive a schedule in the mail; students are encouraged to print a copy of their schedule through COR after registration.

Please note that a student who has a previous balance from a prior term will have a hold placed on his or her account which will prevent registration. Students should make certain all financial obligations to the seminary are met prior to registering.

Early Registration

During early registration, students need only register for their classes; no money is due during this period of registration. A student statement will be mailed from the Business office with payment due dates. Students are also welcome to pay their statement online through COR at any time without waiting for a statement.

Regular Registration

During regular registration, fifty percent (50%) of the tuition and the registration fee is due upon registration. Students are encouraged to either pay their statement online through COR, or contact the Business office to make a payment at 313-883-8692. SHMS reserves the right to drop a student from a class if he/she registered during regular registration and has not paid the required portion of his/her tuition. The student will be notified prior to this process occurring to give him/her a chance to pay the balance.

Late Registration

During late registration, full payment of tuition and fees (less any financial aid), including a late registration fee, is due upon registration. Payment must be submitted online through COR, or by contacting the Business office at (313) 883-8692. SHMS reserves the right to drop a student from a class if they registered during late registration and has not paid-in-full his/her tuition and fees. The student will be notified prior to this process occurring to give him/her a chance to pay the balance.

Enrollment Confirmation Date

Student enrollment is frozen effective the Friday of the second week of classes in each term. Following this enrollment confirmation date, financial aid will not be recalculated. For financial aid purposes, it is essential that all adjustments in registration take place prior to this date.

Consortium Registration

SHMS college students taking courses at a Detroit Area Catholic Higher Education Consortium institution, or graduate students taking courses through the Detroit Area Seminary Consortium, are not able to register for these courses online. A Consortium Authorization Form must be completed and is available through the Office of the Registrar. Students must register at both the home school and the host school for consortium registration. Should a student drop or withdraw from a consortium class, this too must be done at both the host and home institutions.

Guest Student Policy

Students currently enrolled in a program at another institution of higher education may register for SHMS courses by completing a Michigan Uniform Guest Application (undergraduate or graduate). The student obtains this form through the home institution and submits the completed form to the Office of the Registrar at SHMS. In order to gain guest student status, a student must have at least a 2.5 GPA at his/her home institution. A guest student is considered active for the term dates listed on his/her application.

Add/Drop Policy

Students may add or drop courses at any time through COR through the end of late registration. A dropped course will not appear on the student's transcript.

Withdrawal Policy

Withdrawal from a class must be done in writing through the Office of the Registrar. Students who do not officially drop or withdraw from a course will receive a failing grade for that course which is entered on the student's academic transcript. The last date for withdrawal in a given term is listed on the academic calendar. For financial aid purposes, when a student withdraws from a course, the last date of attendance will be considered the withdrawal date.

Credit Load Status

Within each school students are accorded full time status on the basis of their credit load in that semester. For M.A. or S.T.L. students who are registered for thesis credits (IS 899/S.T.L. 989) or continuing thesis guidance (IS 8991/S.T.L. 9891), full time status is determined in consultation with the advisor/thesis director and the dean of studies. M.Div. students in parish internships are considered full time due to the number of contact hours required for the internship placement.

Enrollment Credit Range Chart

	Undergraduate	Graduate
Less than half-time	1-5 credits	1-3 credits
Half-time	6-8 credits	4-5 credits
Three-quarter-time	9-11 credits	6-8 credits
Full-time	12+ credits	9+ credits

Post-Master Audit

SHMS encourages graduates to maintain a commitment to lifelong theological and pastoral education. To that end, SHMS offers a post-master audit rate to alumni from the School of Theology of SHMS or the former St. John Provincial Seminary. Qualifying alumni may audit one course per term for \$100.00, plus applicable fees. This includes library privileges.

Post-Master Audit students must submit a brief application to the Office of Admissions in order to re-activate their file. Post-Master Audit students must register using a paper registration form and clearly mark "Post-Master Audit" on the top of the registration form.

Academic Policies

SACRED HEART
MAJOR SEMINARY

“Apply your heart to instruction, and your ears to words of knowledge.” —Proverbs 23:12

Academic Policies

Academic Appeals

Any appeal should begin where the difficulty originated. Students who feel they have been unjustly treated academically must discuss the grievance with the instructor and also with the academic advisor. The process includes both the informal and formal recourse. Informal recourse includes direct communication with the immediate faculty member, intercession of the student's advisor, and recourse to the dean of studies. At each step, a meeting shall take place at the request of the student.

If no agreement is reached the matter will, upon written request of the student, be referred to the academic review board by the dean of studies. The written request for the appeal must be made within sixty days of notice of the alleged grievance. The request must include a statement of the grievance and of the reasons for the appeal, and the resolution suggested at the informal meeting of the parties involved, as prepared by the student. All documentation supporting the appeal must be in order and must accompany the written request.

The dean of studies will initiate the convening of the academic review board that will consist of four members of the academic faculty. The dean of studies and all parties involved in the earlier formal meeting shall be excused. The student may add a faculty member to the review board. The board will select a chair and a recorder for the meeting. The review board will review the documents presented, interview the party(ies) concerned and others deemed necessary, and render a judgment as a result of a simple majority vote.

The SHMS Grievance Policy is stated in the Student Resources section under Student Life.

Academic Standing

To be eligible for continued enrollment, a student must maintain, among other criteria, satisfactory academic progress. Satisfactory progress is determined based on two criteria: cumulative grade point average (GPA) and movement toward a degree as measured by course completion. Students must maintain the specified minimum cumulative GPA for their course of study. In addition, students must successfully complete 65% of the courses for which they are enrolled in any one academic year.

The academic progress of each student is reviewed at least once a year. A student failing to meet the criteria for satisfactory academic progress is placed on probation for the following semester. If satisfactory progress is not made after one semester, the student is subject to dismissal by faculty action. The faculty, in its discretion, shall determine whether progress is satisfactory, taking into consideration the overall academic record of the student.

Students who are dismissed for lack of satisfactory academic progress may appeal the decision of the faculty by writing to the dean of studies. This written appeal should present any mitigating circumstances. The dean or another faculty member of the student's own choosing will then present the case to the faculty for its reconsideration. Students dismissed for unsatisfactory progress may apply for reentrance after having remedied deficiencies in failed courses by the successful completion of comparable courses (at the required GPA of the appropriate degree) at other accredited institutions.

Upon leaving the formation program that SHMS provides for priesthood candidates, former seminarians are not permitted to continue their academic coursework at the seminary, though they may ultimately receive their degree upon fulfillment of necessary requirements elsewhere. The rector, in consultation with the formation team, may make exceptions to this policy on an individual basis.

Students who have been admitted to SHMS and who have not been in attendance for three years are considered inactive and must go through re-admissions prior to registering for classes again.

Attendance

No one who is not duly registered is admitted to class.

Undergraduate norms: Attendance at classes is mandatory. If a student misses a class, he/she must see the instructor prior to the next class. If unexcused absences are excessive in the judgment of the instructor, the instructor may direct the student to discontinue the course. A failing grade and loss of credit will result.

Should a seminarian miss a number of classes, this will be brought up in discussion regarding the student's personality and maturity. The student will also bear the academic loss involved.

Graduate norm: Class attendance is regulated by the course syllabus.

In the case of a foreseen absence, each student is required to inform the professor at least 24 hours in advance. This will allow the professor to attempt to notify other students 20 hours in advance of a cancellation of the class should there be a number of such absences on a given occasion.

Enrollment in graduate courses is limited to students with a bachelor's degree. SHMS may allow, at the discretion of the dean of studies, a student who does not possess a bachelor's degree to take a graduate level course. The number of such students in any class or course is limited to ten percent or fewer of the course's enrollees.

Audit Policy

Students who wish to audit a class must register for the class on an audit basis. Registration must be completed in person, by fax, or by email (no online registration is available for audit status). An auditor participates in class simply as a listener and does not submit work for evaluation. The audit grade of "AU" is entered on the student's transcript; the AU grade is not included in the grade point average calculation. Courses taken on an audit basis do not meet degree requirements. If a student wishes to receive credit for a class previously audited, the course must be repeated on a credit basis.

Attendance is required to audit a course successfully. Failure to attend audited classes may result in an administrative withdrawal from the class.

Only lecture-based courses may be audited. Courses that focus on the development of written or oral communication skills or that rely heavily on class participation may not be audited. Further, independent study, internships, or similar courses, and online courses may not be audited.

Students who register for credit and wish to change to audit must make the change by the end of add/drop week unless otherwise approved by the dean of studies. Students cannot change their status from audit to credit after add/drop week. Full tuition and fees apply to audited courses.

Bulletin Requirements

Students must meet the requirements of the SHMS *Bulletin* in effect at the term for which they are formally matriculated or re-matriculated into a program of study. In the event that a student changes his/her major or program during his/her course of study, the student is expected to meet the requirements for that major or program from the *Bulletin* in effect at the date of the change.

Students may request a change of *Bulletin* (to a *Bulletin* published subsequent to their date of admission) by submitting a "Change of Bulletin" form obtained through the Institute for Ministry.

Course Numbering

Courses with numbers from 100 to 299 are lower division courses intended primarily for freshmen and sophomores. Courses with numbers from 300 to 499 are upper division courses intended primarily for juniors and seniors. Courses with numbers 500 and above are graduate courses. Courses with numbers 900 and above are exclusively S.T.L. program courses. Courses with numbers below 100 are learning experiences for which no college credit is given.

Course Prerequisites

The waiver of a course prerequisite requires the written approval of the dean of studies.

Credit Hour

Sacred Heart Major Seminary has adopted the Carnegie Unit as its definition of a credit hour. As defined by the Carnegie Foundation, the credit hour calls for one credit per hour of faculty instruction and two hours of homework, on a weekly basis, over a 15 week semester.

Credit Options - Graduate

Life Experience

The Graduate School of Theology recognizes the varied backgrounds of its entering students and is willing to issue credit for demonstrated competence. Application for this credit is made to the dean of studies. The granting of credit will be subject to the conditions of credit by examination listed below. This credit will be recorded on the student's transcript with the grade CR. The student's GPA will not be affected.

Credit by Examination

Upon approval of the dean of studies, credit may be granted for some courses in the current catalogue through successful completion of a special examination without regular class attendance. This option is only available to students who have already been granted admission to SHMS. Credit earned in this fashion will satisfy degree and certificate requirements in the same manner as credit earned through regular class attendance, subject to the following provisions:

1. No more than four credits for the M.A. or the MAPS, no more than ten credits for the M.Div., and no more than five credits for the S.T.B. or S.T.L. may be earned or granted as Credit by Examination. These credits will also be considered as part of the one-third allowable transfer credits toward any of the graduate degrees.
2. The appropriate academic discipline determines the examination by which the competency is established.
3. Credit will be recorded on the student's transcript with the grade CR. The student's GPA will not be affected.
4. An examination fee applies.

The student must be currently enrolled in SHMS and have accumulated at least 15 hours at SHMS before this credit will be recorded. Earlier credit earned by examination will be applied only after 15 other hours of credit.

Credit Options - Undergraduate

Competency Examination for the Waiving of Courses

Coursework for the current bulletin may be waived through successful completion of a competency examination without regular class attendance. This option is only available to students who have already been granted admission to SHMS. A student may sign up for an examination if, in the judgment of the Office of the Dean of Studies, he/she has an adequate background in the subject matter through personal study, catechetical experience, or other formation or educational experience. Competency examinations are subject to the following provisions:

1. The student must contact the Office of the Dean of Studies to request approval to take the examination for a specified class's competency. A bibliography is available to assist in the student's preparation.
2. Competency examinations do not accrue credits and are not recorded on a student's transcript. Consequently, if a student is matriculated in a degree program and successfully completes the competency examination, he/she must make up the credits with electives.
3. A competency examination may be used to waive graduate prerequisite coursework.
4. An examination fee applies.

Credit by Examination for Degree-Seeking Students

Upon approval of the dean of studies, credit may be granted for some courses in the current SHMS Bulletin through successful completion of a special examination without regular class attendance. This option is only available to students who have already been granted admission to SHMS. A student may sign up for an examination if, in the judgment of the Office of the Dean of Studies, he/she has an adequate background in the subject matter through personal study, catechetical experience, or other formation or educational experience.

Examinations administered by the College Level Examination Program (CLEP) which measure a student's mastery of college level introductory course content may be taken for credit. Students meeting the credit granting score standard will earn the credits for that course. SHMS follows the American Council on Education's recommendation for the minimum passing score. Credit earned in this fashion will satisfy degree and certificate requirements in the same manner as credit earned through regular class attendance, subject to the following provisions:

1. No more than six credits for the A.A.M. and B.Phil. and no more than twelve credits for the A.B. may be earned or granted as Credit by Examination in any one subject area. No more than ten credits for the A.A.M. and B.Phil. and twenty credits for the A.B. can be granted in full.
2. The examination by which the competency is established is determined by the appropriate academic division or discipline.
3. Credit will be recorded on the student's transcript with the grade CR. The student's GPA will not be affected.
4. The student must be currently enrolled in SHMS and have accumulated at least 15 hours at Sacred Heart before this credit will be recorded. Earlier credit earned by examination will be applied only after 15 other hours of credit.
5. An examination fee applies.

Credit for Military Training

SHMS recognizes the specialized training of students who have served or continue to serve in the military. Official transcripts must be mailed directly from the military branch to the Office of the Registrar for evaluation. Transcripts received will be accompanied by credit recommendations from the American Council on Education (ACE). ACE-recommended credits will be used to fulfill a student's free-elective credit requirements; however, each course is evaluated on an individual basis and may serve to fulfill graduation requirements if the content is appropriate. The credit will be recorded on the student's transcript as CR. The GPA will not be affected.

Credit at Non-Consortium Institutions

An undergraduate who wishes to take courses at an institution accredited by ATS or an accreditor recognized by the Council for Higher Education Accreditation (CHEA) other than those in the Consortium must:

1. Obtain a Michigan Uniform Undergraduate Guest Application from the Office of the Registrar.
2. Complete the form and return it to the Office of the Registrar for proper certification.
3. Confirm with his/her advisor or Office of the Dean of Studies that the course will qualify for transfer credit.
4. After completing the course(s) as a guest student, it is the student's responsibility to have an official transcript sent to the Office of the Registrar at SHMS.

Credits taken during guest student status will be applied toward a degree program only if this policy is complied with prior to completing the course(s) and the final grade for the course(s) is C or better.

Dean's List

At the undergraduate level, students must earn a GPA of 3.59 or better in a given term to qualify for the dean's list. On the graduate level, students must earn a GPA of 3.79 or better in a given term to qualify.

Examinations

Instructors by means of discussion, written assignments, and adequate testing in each semester, assess student capabilities and progress. Oral or written quizzes may be held from time to time with or without previous notice to students.

Graduate norm: Special note and importance should be given in M.Div. courses to examinations, which can take the form of a homily or a catechetical instruction.

Undergraduate norm: Mid-term grades must be submitted for all students enrolled in undergraduate courses during the fall and winter terms. However, administration of a mid-term examination is at the discretion of the instructor. Students may check their mid-term grades via COR to determine their progress in courses prior to the withdrawal deadline.

Federal Compliance Policy

SHMS complies with federally mandated policies as these are promulgated. Policies which change after the printing of this bulletin will be implemented as they become required. Information on such changes will be published and available to current and prospective students and interested members of the public.

FERPA

Permanent academic records are maintained by the seminary and are the responsibility of the registrar. The seminary maintains the confidentiality of student records in accordance with the provision of the Family Education Rights and Privacy Act (FERPA) of 1974 as amended. This is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he/she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Official copies of academic records will be released only upon the written request of the eligible student. FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific state law.

The seminary may disclose, without consent, "directory" information such as student's name, address, telephone number, email address, date and place of birth, dates of attendance, honors and awards, date of graduation, and degree conferred. A student may request in writing to the registrar that the school not disclose directory information about them.

Students may not inspect the following: parental financial records, confidential letters and statements of recommendation filed prior to January 1, 1975; confidential letters and recommendations solicited under a waiver of the right to future access.

Freedom of Inquiry

Sacred Heart Major Seminary, as a Catholic institution of higher learning, is heir to a long tradition of respect for academic inquiry in pursuit of abiding truth. Sacred Heart Major Seminary respects and fosters freedom of inquiry among faculty and students. Indeed, this freedom is recognized in the law of the Catholic Church. Canon 218 of the Code of Canon Law states, "Those engaged in the sacred disciplines have a just freedom of inquiry and of expressing their opinion prudently on those matters in which they possess expertise, while observing the submission due to the magisterium of the Church." Within the realm of the Catholic Church's teaching on the ecclesial vocation of the theologian, Sacred Heart faculty and students work in an environment that encourages academic freedom.

GPA and Quality Points

The quality points for a course are computed by multiplying the grade value by the number of credits for that course. To compute the Grade Point Average, divide the total number of quality points earned by the total number of credits attempted (excluding P and W). The Grade Point Average is computed only for courses registered through SHMS, including Consortium courses.

Grades

Each course receives one grade, by which the instructor estimates the quality of the work done by the student in that course. Should a student have to repeat a course, only the highest grade earned will be calculated in the GPA. The other mark is left on the transcript but not counted. The registrar records permanent grades at the end of each semester. The student is responsible for full tuition and fees for any repeated courses. Financial aid may be impacted.

Grade Reports

Grade reports are issued to all students at the end of each semester.

Grade System - Graduate		
Grade	Quality Points	Meaning
A	4.0	The student has demonstrated excellent mastery of the subject matter sufficient to engender creative and accurate adaptation and application of course content.
A-	3.66	The student is capable of sharing original insights and creativity in the subject matter, stemming from mastery of the meaning of ideas that have been developed in the course.
B+	3.33	The student can grasp and articulate the background assumptions that give the course content its significance, in addition to showing strong methodological understanding.
B	3.0	The student shows a good level of understanding of course content to be able to represent it correctly and apply it to new situations. Student shows ability to critique the subject matter and through this analytical reflection to illustrate relationships to other disciplines and/or pastoral experiences and ministry.
B-	2.66	According to national standards, this is the minimum grade acceptable for graduate work. It indicates fundamental competence in the understanding, presentation, and adaptation of all of the course content. Students show a minimum ability to critique the subject matter.
C+	2.33	This grade indicates a basic competence, but with certain deficiencies of understanding that render a fully acceptable grade inappropriate.
C	2.0	The student can reproduce the basic concepts of the course, but shows deficiencies in the understanding and theoretical or pastoral application of these concepts.

C-	1.66	The student can show a minimum ability to reproduce the basic concepts of the course.
D	1.0	This grade indicates unacceptable work. D work cannot be transferred into the Graduate School of Theology.

Grade Changes

Statute of Limitations for Faculty:

Faculty members are required to submit course grades at the end of each semester. If an instructor wishes to change a grade, they are to notify the Office of the Registrar for processing. All grades are final and cannot be changed after six months have lapsed since the original grade submission deadline. Should an instructor find an error after six months, he/she must appeal to the dean of studies with proper justification. Upon approval from the dean of studies, the registrar will process the grade change. This policy is retroactively applied to all previous bulletins.

Statute of Limitations for Students:

Students have six months from the end of a term to challenge a grade given by an instructor. The instructor is required to respond to the student's concern by providing justification for the grade issued. The instructor is not obligated to change a student's grade if it was given with proper justification. Students may follow the normal grievance procedure to challenge a grade beyond the six months.

Graduation

Students may graduate at the end of each term upon completion of degree/diploma requirements. Commencement ceremonies take place at the end of winter term. Students who complete degree requirements at the end of the fall term of that academic year, or who anticipate completing degree requirements at the end spring or summer terms of that academic year, may participate in the commencement exercises held at the end of the winter term.

Graduation Application Form

Students who plan to earn a degree/diploma must fill out the appropriate form according to the dates published in the academic calendar. Failure to meet the deadline may result in graduation being postponed until the following term. The completed application is submitted to the Office of the Registrar. A non-refundable graduation fee is paid when filing the application. The application is valid for one year from the term for which the student is applying. Any student who fails to

complete his/her requirements during the academic year for which he/she has applied to graduate must reapply for graduation the next academic year.

Graduation Degrees Awarded Posthumously

Students will be considered for posthumous degrees by the Office of the Dean of Studies if they are in good academic standing at the time of their death, have a minimum qualifying GPA and are in the final year of completion of all their requirements.

Graduation Diploma

Diplomas for December, April, and June graduations are mailed to the graduates approximately 6 to 8 weeks after each graduation date. Diplomas will not be released until all financial obligations, including the graduation fee, have been fulfilled.

Graduation Honors

Graduation honors are awarded for superior achievement in degree programs. Academic honors are not awarded for non-degree diplomas. Students who have attained the indicated Grade Point Averages will be graduated with honors as follows:

Associate Degree

- cum laude graduation with a GPA of 3.20
- magna cum laude graduation with a GPA of 3.50
- summa cum laude graduation with a GPA of 3.80

Bachelor Degree

- cum laude graduation with a GPA of 3.20
- magna cum laude graduation with a GPA of 3.50
- summa cum laude graduation with a GPA of 3.80

Graduate Degree

- cum laude graduation with a GPA of 3.50
- magna cum laude graduation with a GPA of 3.65
- summa cum laude graduation with a GPA of 3.80

Incomplete Grades

Students enrolled in courses at Sacred Heart Major Seminary, including independent study, individual studies, or internships, are expected to complete all required coursework by the deadline set by the institution's academic calendar. If, due to unforeseen emergencies, a student cannot complete the required coursework by the end of the semester, he/she may request a grade of incomplete by submitting a "Request For Incomplete" form available through the Office of the Registrar.

The purpose of an incomplete ("I") is to minimize the negative consequences of unforeseen emergencies resulting in failure to complete course requirements by the deadline. It is not a means for extending deadlines to accommodate personal schedules. The grade of incomplete is a temporary grade that indicates that the student has not completed all course requirements. The grade of incomplete is only appropriate for students who have attended and participated in classes. Students who have missed a significant number of classes for health reasons should contact the registrar.

An incomplete grade may impact financial aid. Students should consult the Office of Financial Aid for details.

Independent Study

An independent study is intended for an elective course which the seminary does not regularly offer. An independent study is restricted to graduate students only, unless otherwise approved by the dean of studies. A student may not exceed six credits of independent studies that apply towards his/her degree program; an exception to this rule must be approved by the Dean of Studies. For more information on the procedures and policies for independent study, please contact the Office of the Registrar.

Institutional Withdrawal

Students who wish to permanently discontinue their studies at SHMS must formally withdraw from the institution. This can be done by sending an email or a letter to the Office of the Registrar, which in turn will notify the Office of Financial Aid. The student's file will be permanently archived and he/she will not be allowed to register for any further classes. In the event an institutionally withdrawn student wishes to return to the seminary, he/she must go through the readmissions process regardless of the elapsed time since his/her attendance.

Media in the Classroom

It is the prerogative of the individual instructor to exclude the use of various media (tape recorders, computers, videos, etc.) in the classroom, except where a handicap requires such usage. Any restriction will be indicated in the syllabus.

Medical Leave of Absence

A medical leave of absence may be granted when serious medical and/or psychological circumstances prevent a student from adequately completing coursework in a given semester. A student who wishes to request a medical leave of absence must submit a letter requesting a leave to the dean of studies accompanied with appropriate documentation from a medical and/or psychological professional. If approved, a medical leave of absence may be granted for up to one academic year. Should circumstances remain unchanged, a student may request a leave continuance for up to one additional academic year. If a student fails to return after an approved leave, they are considered withdrawn from the institution, after which the student must apply for readmission to the seminary.

For graduate students, medical leave automatically extends the six year degree completion requirement.

Recipients of federal, state and/or seminary assistance who are granted a medical leave of absence may lose financial assistance for the semester they are withdrawn. Students must contact the Office of Financial Aid about possible consequences of this change in status. In addition, students should check with the Business office regarding eligibility for a tuition adjustment.

Military Leave of Absence

If a student is called into active military duty and his/her absence will mean missing more than two weeks of classes, he/she is permitted to withdraw from his/her classes regardless of the withdrawal date specified in the academic calendar. The student will have the option of a full refund of all tuition and fees paid or he/she can apply the credit to a future term's enrollment.

Military Dependent Leave of Absence

If a student is a dependent of and resides with an active military parent, and the parent is required to move the family out of the area, the dependent student is permitted to withdraw from his/her

classes regardless of the withdrawal date specified in the academic calendar. The student will have the option of a full refund of all tuition and fees paid or he/she can apply the credit to a future term's enrollment.

Personal Leave of Absence

In extraordinary circumstances, a student may petition the dean of studies for a personal leave of absence. A personal leave of absence may be granted when serious personal circumstances prevent a student from adequately completing coursework at a given point in his/her degree program. A student who wishes to request a personal leave of absence must submit a letter requesting a leave to the dean of studies accompanied with appropriate explanatory and background information. If approved, a personal leave of absence may be granted for up to one academic year. Should circumstances remain unchanged, a student may request a leave continuance for up to one additional academic year. If a student fails to return after an approved leave, he/she is considered withdrawn from the institution, after which the student must apply for re-admission to the seminary.

For graduate students, personal leave of absence automatically extends the six year degree completion requirement.

Recipients of federal, state and/or seminary assistance who are granted a personal leave of absence may lose financial assistance for the semester in which they are withdrawn. Students must contact the Office of Financial Aid about possible consequences of this change in status. In addition, students should check with the Business office regarding eligibility for a tuition adjustment.

Probation/Suspension

The policies on academic probation and suspension are intended to help the individual student to be attentive to his or her progress toward completing a program. Students are strongly encouraged to remain in close contact with their instructors and academic advisors, and to take advantage of the academic skills center to improve the quality of their academic work. Exceptions to the following policies may be made by the dean of studies if warranted:

Undergraduate: Any undergraduate student having a cumulative GPA under 2.0 at the end of any given term (minimum two terms) is automatically placed on academic probation for the next fall/winter semester. A record of three successive fall/winter semesters of academic probation will result in automatic academic suspension and the suspended student can only return to the College of Liberal Arts through the action of the faculty. A student who has a cumulative GPA of 1.5 or less at any point during his or her matriculation is automatically suspended and can only return to the College of Liberal Arts through the action of the faculty.

M.Div., M.A.P.S. and Graduate Diploma: Any graduate student in one of these programs having a cumulative GPA under 2.5 at the end of any given term (minimum two terms) is automatically placed on academic probation for the next fall/winter semester. A record of two successive fall/winter semesters of academic probation will result in automatic academic suspension and the suspended student can only return to the School of Theology through the action of the faculty.

S.T.L., M.A.: Any graduate student in one of these programs having a cumulative GPA under 2.7 at the end of any given term (minimum two terms) is automatically placed on academic probation for the next semester. A record of two successive fall/winter semesters of academic probation will result in automatic academic suspension and the suspended student can only return to the School of Theology through the action of the faculty.

Required Statistics

SHMS maintains required statistics on graduation, completion, retention rates and campus crime as required by federal law. These statistics are available in the Office of the Registrar.

Scholastic Integrity

In keeping with its mission, Sacred Heart Major Seminary expects each student to be responsible and honorable in course work and in the classroom. A student who is found to be involved in any unethical practices in connection with any work required for a course will be held accountable. A student whose conduct does not meet with the standard of SHMS will be asked to resign from the academic program.

In academic life, there are conventions by which we express our debt to the ideas and language of other writers. To violate these conventions deprives an author of the credit for the originality of ideas and his/her expressions. Students who violate these conventions pass off as their own work that of other minds. This violation is called "plagiarism." This is a form of stealing. Cheating is to deceive fraudulently or to violate the rules dishonestly.

Undergraduate norm: A grade of F will be given for the specific test, paper, or assignment and a copy of the item will be made for evidence.

Graduate norm: Any student cheating on any test, assignment, or term paper, or who commits plagiarism will receive an automatic F for the course.

The faculty member will schedule a meeting with the student at the time of the offense to discuss the situation. The dean of studies will be notified of the meeting and will be given the evidence in a confidential manner.

If the dean of studies receives two notifications of academic dishonesty for any one student, the dean of studies will schedule a conference with the student and the faculty member(s) involved. If the faculty member requests a conference after one notification, then the dean of studies will schedule such a conference. The dean of studies will be an objective observer at all such conferences.

At the time of the conference, the evidence will be presented and a decision rendered. If academic dishonesty is not evident, all documents will be destroyed and no further action will be taken. If the dean of studies determines that evidence indicates academic dishonesty, a letter of academic misconduct will be sent to the student and a copy filed in the student's academic file.

Further sanctions may be imposed depending on the seriousness of the matter:

- The student will be placed on a one semester academic probation.
- The student will be suspended for one semester.
- The student will be dismissed from the institution.

These sanctions will be imposed according to the following guidelines:

- Clarity of evidence
- Nature of the course (e.g. research, etc.)
- Weight of the assignment (refer to the syllabus)
- Standing of the student within the institution (first year, continuing education, etc.)
- Type of academic dishonesty (which includes, but is not limited to, the degree of plagiarism,

stealing of exam, cheating on tests/exams, or re-submission of assignments for which credit has been given previously, alteration of documents or records, forgery, stealing or defacing institutional or library materials)

- The number of times the individual student has been involved in cases of academic misconduct

The student has a right to request an appeal through an academic review board. The academic review board is assembled by the dean of studies to address the appeal. An academic review board is comprised of three professors selected by the dean. The board meets with the student making the appeal as well as the professor. After the meeting, the academic review board submits its decision to the dean of studies.

Semester Hours

Instruction is reported in semester hours and follows the definition of a Carnegie Unit. A semester hour is defined as one class period (55 minutes) per week in a semester of fifteen weeks. Although the seminary's academic regulations are framed in terms of a semester of this length, in cases when the semester is shortened the regulations are applied proportionately (e.g., minutes of class instruction per credit per week, length of Add/Drop period). A course is defined as any series or combination of learning experiences designed to meet specific objectives, which flow from the goals and objectives of the curriculum.

Student Workload Guidelines

In setting course expectations for students, faculty should keep in mind that undergraduate students can be expected to spend two hours of work outside the classroom for every hour in class per week in order to earn a semester credit.

At the graduate level, students can be expected to read several hundred pages per course, excluding the reading required for research papers. Graduate students should also be expected to complete the following other assignments for each credit:

- a five-page research/critical paper;
- (or) a seven to eight page reflective paper;
- (or) an oral report equivalent to the above;
- (or) an examination during the semester;
- (and) a comprehensive examination (this could also take the form of a paper, oral presentation, or catechetical instruction).

For courses that are more than one credit, multiples of this formula can be used. Courses that are practica, seminar, or language will require an adjustment to the formula.

Transcripts

The permanent, official record of a student's academic progress is maintained by the Office of the Registrar. Requests for an official and/or student copy of a transcript must be made in writing. A fee is required for this service.

Transfer of Credits

Credits to be transferred must represent work that is applicable to the student's course of study. Credits must represent work which is substantially equivalent in quality and quantity to the work for which it is to be substituted at SHMS.

Courses must come from an institution accredited by ATS and/or by an accreditor recognized by the Council for Higher Education Accreditation (CHEA) with a grade of C (2.0) or better to qualify for transfer credit. Transfer credits will be recorded on the student's transcript with the grade TR. The student's GPA will not be affected.

Each degree and diploma program has a specific number of credits that must be earned in residency at SHMS. Students should consult the applicable degree or diploma program for residency requirements.

It is the responsibility of the student to authorize and request academic records and transcripts to be sent to SHMS. Official transcripts are required for transfer.

Written Assignments

Students are required to follow the norms of style for written work contained in the latest edition of Kate L. Turabian, *A Manual for Writers* (Chicago: The University of Chicago Press), unless another style sheet is required in a given syllabus.

The *SHMS Writer's Checklist*, a concise summary of the most important Turabian rules, is available on the SHMS website.

Priestly Formation

The formation program at Sacred Heart Major Seminary follows the norms of *Pastores Dabo Vobis* and *The Program for Priestly Formation*, 5th edition. The formation of future priests focuses on all levels of development: Spiritual Formation, Human Formation, Intellectual Formation, and Pastoral Formation. Each of these is treated separately and has a particular purpose and method. They must, however, be viewed as parts of a comprehensive interrelated whole.

Human Formation

Seminary formation has "as its object to make (seminarians) true shepherds of souls after the example of our Lord Jesus Christ, teacher, priest, and shepherd" (*Optatam Totius*, no. 4).

A strong appreciation for the multi-faceted and challenging role of the diocesan priest lies at the root of the Human Formation Program at Sacred Heart Major Seminary's Theologate. The seminary's mission is to develop true pastors, mature and holy men, who live, work, and pray among the people in parish ministry. The complete program for human formation can be found in the *Seminarian Handbook*.

Spiritual Formation

"I will give you shepherds after my own heart." The words from the prophecy of Jeremiah are etched on the cornerstone of the seminary building, and they capture the purpose of the Spiritual

Formation Program of Sacred Heart Major Seminary: helping seminarians shape their hearts after the heart of Christ.

The Master of Divinity program integrates aspects of the Spiritual Formation Program at Sacred Heart Major Seminary. Some of these aspects are taken from the list given in the fifth edition of the American Bishops' *Program of Priestly Formation*, n. 110. A fuller description of these aspects can be found in both the SHMS *Spiritual Director's Guidelines* and the SHMS *Guidelines for Spiritual Formation, School of Theology*.

1. Daily Eucharist
2. The Sacrament of Reconciliation
3. The Liturgy of the Hours and Ongoing Formation
4. Spiritual Direction
5. The Word of God
6. Retreats and Days of Recollection
7. Personal Meditation and Solitude
8. Devotions
9. Apostolic Dimensions
10. Celibacy
11. Asceticism and Simplicity
12. Obedience, Reconciliation and Solidarity

The SHMS Spiritual Formation Program assists men seeking to do God's will as people of faith who recognize their limitations and the limitless quality of God's grace. For such persons, the process of conversion is ongoing and rooted in hope and confidence that what cannot possibly be accomplished on one's own is entirely possible with God. "The whole training of the students should have as its object to make them true shepherds of souls after the example of our Lord Jesus Christ, teacher, priest and shepherd" (*Decree on Priestly Formation*, no. 4). The spiritual program assists them in growing in their relationship with Christ who infuses their hearts with his love.

Pastoral Formation

Priestly Leadership

An essential element in the formation of a candidate for the priesthood is leadership. Within the context of the Master of Divinity program the students are formed in the image in the Christ the Good Shepherd who leads the sheep in the light of truth. This formation occurs through course work, formation sessions, field education, and parish internships. Growth in affective maturity, a deeply integrated sense of self, knowledge of appropriate boundaries, and a well-developed life of virtue are among the essential foundations for effective pastoral leadership. These foundational elements are developed and formed through the Human Formation program, the details of which can be found in the *Seminarian Handbook*.

Field Education

Sacred Heart Major Seminary, located as it is in the heart of a large urban archdiocese, is an ideal place for the education and formation of men for the priesthood. It is in immediate proximity to the poor and the hub of a metropolitan area rich in a diversity of cultures. The seminary is an active participant in the social, political, economic and religious processes that affect the entire State of Michigan and much of Midwestern America. The entire metropolitan area, including urban, suburban and rural, becomes the living laboratory in which the student learns.

Field education is an integral part of the seminary program. The program leads through gradual pastoral experiences to a full exercise of priestly ministry. In supervised and directed situations, the seminarian participates in ministry, works with competent professionals engaged in ministry, reflects on the personal impact of ministry, listens to parishioners and dialogues with peers. In all, he is immersed in pastoral education.

The components of field education follow the rubric of forming the candidate as one preparing to *teach, sanctify and govern*. As such the Field Education Experiences reflect:

First Year:

Introduction to Field Education
Direct Clinical Experience
Reflections

Second Year:

Direct Experience in the New Evangelization
Supervision
Reflection
Parish Pastoral Experience during the summer
(or undertake a full year Parish Pastoral Experience)

Third Year:

Parish Pastoral Experience during the summer

Fourth Year:

Preparation for Diaconal Assignment
Weekend Diaconal Assignment

Parish Internships

Internship is the practical application of pastoral ministerial skills in a defined learning situation. The emphasis is to be on relating what has been learned in the academic setting of the classroom with what is lived and experienced in the pastoral setting of the parish. During the internships it is expected that the student will encounter the diversity of life in a parish community by participating in the various gatherings where people worship and carry out the service, education, evangelization and stewardship dimensions of church life.

The parish internship has been conceived:

1. To enhance the readiness of the student for the integration of theological study and its application to priestly ministry in a contemporary setting within a local parish community.
2. To enable the student minister and the Church to identify more accurately those attitudes and aptitudes for priestly ministry which the student possesses at this time in order to set further academic and formational goals within the whole program of study.
3. To enable the student minister to identify and to employ a spirituality appropriate to the diocesan priesthood.

Further information on the parish internship may be found in the appropriate handbooks and materials of the director of field education.

This question is investigated by examining the arguments that attempt to show that reason and faith can be harmonized. Special emphasis will be given to the traditional proofs for the existence of a creator God. The course then turns to a second problem, which stems from the first: the problem of evil. If the universe is governed by a creator and providential governor, how can one justify the existence of evil in the world, e.g., suffering and death, human ignorance, and man's inclination to sin?
