SACRED HEART MAJOR SEMINARY

PROCEDURES FOR INDEPENDENT STUDY COURSES

Please read these instructions carefully before completing this form.

1. An independent study is intended for an elective course which the seminary does not regularly offer. An independent study is restricted to graduate students only, unless otherwise approved by the Dean of Studies. A student may not exceed six credits of independent studies that apply towards his/her degree program; an exception to this rule must be approved by the Dean of Studies.
2. In order to initiate an independent study, the student and the faculty sponsor discuss and mutually agree upon the particulars. A student's independent study workload must equate to a minimum of 45-hours per credit (including face-to-face contact hours).
3. The student obtains a "Petition for an Independent Study" form, available in the Office of the Registrar.
4. The student and the faculty sponsor complete all sections of the form and sign where indicated. The faculty sponsor may attach a syllabus in lieu of completing the "Course Information" section; all attachments must be initialed by the student and instructor. Both parties should retain copies of all independent study paperwork.
5. The faculty sponsor submits the completed form to the Dean of Studies for signature, who then submits the signed form to the Office of the Registrar for registration.
6. Independent study courses adhere to the dates listed in the academic calendar.
